The Maryland Department of Health wants everyone in Maryland to have access to information and support for their sexual health. We are asking people aged 12 to 17 who have received sexual health services in Maryland to take a survey. Your answers will be kept private and used to improve health care across Maryland.

The first 100 people ages 12 to 17 who take the survey will receive a \$5 gift card to thank you for your time!

Questions?

For questions about the survey contact Molly Feder at mfeder@cardeaservices.org. For questions about your rights as a participant please contact Maryland Department of Health's IRB Coordinator, Gay Hutchen at gay.hutchen@maryland.gov.
