To Remember Me

Give my sight to the man who has never seen a sunrise, a baby' face, or love in the eyes of a woman.

Give my heart t a person whose own heart has caused nothing but endless day of pain.

Give my blood to the teen-ager who was pulled from the wreckage of his car, o that he might live to see his grandchildren play.

Give my kidney to one who depend on a machine to exist from week to week.

Take by bones, every muscle, every fiber, and nerve in my body and find a way to make a crippled child walk.

If you must bury something, let it be my fault, my weakness, and all prejudice again t my fellow man.

Give my sins in to the devil.

Give My soul to God.

If, by chance, you wish to remember me, do it with a kind deed or word to someone who need you. If you do all I have asked, I will live forever.

Robert N. Test
