Minority Mental Health Awareness Resources

July 2022

The Maryland Department of Health (MDH) Behavioral Health Administration (BHA) developed this guide in recognition of National Minority Mental Health Awareness Month to provide mental health resources for Marylanders across different backgrounds, ethnicities and identities.

About National Minority Mental Health Awareness Month

- National Minority Mental Health Awareness Month
  US Department of Health and Human Services

- Bebe Moore Campbell National Minority Mental Health Awareness Month
  National Alliance on Mental Illness

- Mental Health America (MHA) has compiled Black, Indigenous, and people of color (BIPOC)-specific mental health focused information and resources into comprehensive toolkits. Access the 2022 BIPOC Mental Health Month toolkit to increase your awareness on the unique issues members of BIPOC communities face.
