

Calvert County
Local Drug and Alcohol Abuse Council

2016-2018 Strategic Plan

Updated by:
Doris McDonald
Local Addictions Authority
Calvert County

July 2017

History: The Calvert County Local Drug and Alcohol Abuse Council was established pursuant to Subtitle 10 of Title 8 of the Health-General Article. This legislation required each county to have a local alcohol and drug abuse council and to develop a local plan that includes the plans, strategies and priorities of the county in meeting identified needs of both the general public and the criminal justice system for alcohol and drug abuse evaluation, prevention and treatment services.

Our Vision: A safe and drug free Calvert County supportive of recovery.

Our Mission: To provide a comprehensive and collaborative continuum of care that promotes the health, resilience, and quality of life of our community members.

Accomplishing the goals and objectives is contingent upon receiving adequate funding.

Guiding Principles:

1. All goals and objectives incorporate evidence supported practices, are outcome driven and expect accountability.
2. Stakeholders are engaged in all goal areas.
3. Behavioral Health is inclusive of Substance Abuse and Mental Health.
4. All goals will consider the needs of special populations (e.g., homeless, young families, criminal justice).

Data Driven Analysis of Jurisdictional Needs:

- YRBS 2014
- Law Enforcement Data
- County/State Overdose Data
- Datalink
- Maryland Statewide Epidemiological Outcomes Workgroup(SEOW)
- Maryland Young Adult Survey on Alcohol(MYASA)
- MSPF 2 Needs Assessment
- Number of Medication Assisted Treatment clients for Calvert County
- Funding vs. need for detoxification, residential treatment, sober housing
- Kresge Grant outcomes data
- Maryland DHMH Overdose statistics
- Opioid Misuse Prevention Program NeedsAssessment
- (Hope to be able to use Beacon Health Options Data and Risk Needs Responsivity Simulation Tool data soon)

Priorities:

1. Prevention and Wellness
2. Overdose Prevention
3. Development of a Full and Collaborative Continuum of C

Calvert County Behavioral Health
Treatment Admission Data: Primary Substance
FY 2017

Goal 1: Reduce the potential negative consequences of the abuse/misuse of alcohol and other drugs and encourage the wellness of county residents through promotion, prevention and early intervention services and activities.

Objective 1 **Use a comprehensive prevention approach, including the application of universal, selective, indicated and environmental strategies, to reduce alcohol, tobacco and other drug related consumption and consequences.**

Action Steps

1. Increase prevention program offerings.
2. Work to reduce youth access to and use of alcohol and other drugs through alliance with social service organizations, including DSS, behavioral health treatment providers, criminal/juvenile justice agencies, law enforcement and civic groups.
3. Provide opportunities to educate the community on alcohol and other drugs through media campaigns, presentations and trainings.
4. Conduct community forums/focus groups regarding alcohol and other drug abuse issues.
5. Continue the efforts of the Prescription Drug Abuse Abatement Council (PDAAC).

Key Person/Agencies Responsible

Calvert County Health Department, Calvert County Behavioral Health – Prevention, Calvert Alliance Against Substance Abuse, Inc. (CAASA), PDAAC, DSS, Maryland Strategic Prevention Framework (MSPF), Healthy Howard

Outcomes/Performance Measure

See Appendix A.

Progress **600,000 impressions on multimedia drug and alcohol awareness campaigns, including Geo Mapping, billboards (Prince Frederick and Dunkirk), radio ads, television, social media and direct mail distribution.**

Over 800 Facebook followers on the Act Now Calvert Page with an average of 170 weekly impressions. Page content includes prevention, treatment, resource, recovery support and community event information.

Approximately 300 Calvert County 8th grade students were given OMPP presentations in partnership with Calvert County High School student health and social groups.

Approximately 200 students interacted during National Prevention Week.

Approximately 100 teenage participants interacted during Jr. Sheriff Camp '17

MSPF 2

Objective 2	Maintain and enhance formal mechanism through which prevention agencies, providers and other groups coordinate actions.
Action Steps	<ol style="list-style-type: none"> 1. Sub-committee to meet on best resource guide to use. (MDSCL selected) 2. Explore additional ways to promote and coordinate prevention and provider organizations 3. Consolidate all information that can easily be updated on the Maryland Community Services Locator. 4. CMH and other agencies will provide a link to MDSCL on websites
Key Person/Agencies Responsible	Calvert County Core Services, LAA, CAASA, CMH Partners in Accountable Care Collaboration and Transitions (PACCT), Act Now Calvert
Outcomes/Performance Measures	<p>Responses to MDSCL</p> <p>Responses to Unite Calvert Information Sharing Survey</p>
Progress	A collaborative partnership formed with Calvert Memorial Hospital and Calvert County Behavioral Health Prevention Services to update, revise, and better link community resources

Goal 2: Decrease the number of overdose deaths in Calvert County through education, prevention, intervention and treatment methods.

Objective 1	Educate the community as well as medical and behavioral health providers about overdose and opportunities for effective intervention.
--------------------	--

Action Steps	<ol style="list-style-type: none">1. Continue implementation of the Opioid Misuse Prevention Program (OMPP) grant2. Continue implementation of the Overdose Education and Naloxone Program (OENP) grant3. Continue to support community as well as targeted educational campaigns4. Develop further outreach to area doctors and expand education on Prescription Drug Monitoring Program5. Implement additional Naloxone training
---------------------	--

Key Person/Agencies Responsible

PDAAC, CAASA, CCHD, CCBH, Unite Calvert, Maryland State Police, Calvert County Sheriff's Department, Calvert Core Service Agency, College of Southern Maryland, Local Addictions Authority (LAA), Calvert Memorial Hospital, Calvert County Public School System, Calvert County Detention Center

Outcomes/Performance Measures

OMPP outcome data
OENP outcome data
Maryland DHMH Overdose statistics

Progress	OENP Grant reports approximately 641 community members trained and certified for Naloxone usage
-----------------	--

Calvert Memorial Hospital to begin to implement opioid free ED – 40% reduction in opioid administration

Calvert County has implemented an Overdose Fatality Review Team and reviewed 9 cases

Over 150 inmates in the Calvert County Detention Center trained on naloxone and given kits at release

Two CCBH staff to go to a Train the Trainer workshop, along with one Calvert County Sheriff's Office deputy and one co-chair of the Twin Beach Opioid Awareness Committee

Objective 2	Implement effective, evidence based treatment interventions and enhance access to treatment
Action Steps	<ol style="list-style-type: none"> 1. Expand and enhance MAT capacity (Vivitrol, buprenorphine, methadone) 2. Encourage participation in the Prescription Drug Monitoring Program (PDMP) 3. Increase outreach efforts to have people sign up for health insurance 4. Target efforts to improve accessibility to buprenorphine and methadone treatment for pregnant women 5. Address barriers to transportation
Key Person/Agencies Responsible	CCHD – Medical Assistance Transportation, Healthy Beginnings, Healthy Howard, CAASA, CCBH, Calvert Core Service Agency, College of Southern Maryland, Local Addictions Authority (LAA), Calvert Memorial Hospital
Outcomes/Performance Measures	<p>GOCCP – MAT Grant Program outcomes</p> <p>GOCCP – RSAT/MAT Grant Program outcomes</p> <p># of County residents funded for MAT</p> <p>Capacity of County to treat MAT patients</p>
Progress	<p>Bayside Recovery, an OTP, opened in December 2015 with capacity to treat with methadone and buprenorphine</p> <p>CCBH has 1 buprenorphine doctor - currently has a waiver up to 250 capacity for emergencies, permanent in October; and 2 nurse practitioners</p> <p>Carol Porto Treatment Center has 2 buprenorphine doctors – 100 cap limit per doctor with cap space available under both</p>
Objective 3	Reduce the number of prescription drugs in the county by continuing to provide opportunities for the community to safely dispose of their unused and/or expired medications throughout the year.
Action Steps	<ol style="list-style-type: none"> 1. Continue to hold Drug Take Back days 2. Maintain locations for county residents to dispose of medications safely. 3. Calvert Memorial Hospital plans to implement Opioid Free Emergency Department
Key Person/Agencies Responsible	PDAAC, CAASA, CCHD, CCBH, Maryland State Police, Calvert County Sheriff's Department, Coalition of Calvert County Pharmacists, Comcast, CMH, LAA
Outcomes/Performance Measures	Amount of discarded/unused medication collected.
Progress	Medication received: over 800 lbs. by Sheriff's Office, over 465 lbs. by State Police Cards distributed to all pharmacies on how to dispose of medications

Objective 4	Enhance outreach to high-risk individuals and communities. Provide education, referral and interventions where appropriate.
--------------------	--

Action Steps	<ol style="list-style-type: none">1. Continue to enhance education and treatment interventions for pregnant women.2. Continue to enhance education and early identification of problems in County schools. Find ways to expand on efforts begun by implementation of the Kresgegrant.3. Continue implementation of Governor’s Office on Crime Control and Prevention grants related to Vivitrol.4. Continue implementation of Project Phoenix grant to reduce number of behavioral health readmissions to Calvert Memorial Hospital
---------------------	--

Key Person/Agencies Responsible

CCHD – Healthy Beginnings, CCBH, LAA, CSA, individual providers, Calvert County Detention Center, Adult Treatment Court, District Court, Circuit Court, Parole and Probation, Calvert Memorial Hospital, PACCT, Calvert County Public School System, Calvert County Family Network

Outcomes/Performance Measures

Kresge Foundation grant outcome measures
GOCCP MAT outcome measures
GOCCP RSAT-MAT outcome measures
Project Phoenix grant outcome measures

Progress

FY 17:
19 inmates received injections in jail
97 community injections administered by CCBH
15 community referrals have begun Vivitrol

FY 16:
26 inmates received injections in jail
101 community injections administered by CCBH
14 community referrals have begun Vivitrol

Project Phoenix grant has exceeded expected outcomes with 4470 Case Manager contacts through the end of April 2017

Goal 3: Improve access and quality of services throughout the continuum of care.

Objective 1	Increase the number of behavioral health providers in Calvert County who are accredited.
--------------------	---

Action Steps	1. Workgroups held on accreditation by BHA, Beacon. 2. All providers to be accredited by December 2017
---------------------	---

Key Person/Agencies Responsible	LAA, CSA, individual providers, BHA, Beacon
--	---

Outcomes/Performance Measures	Successful accreditation
--------------------------------------	--------------------------

Progress	CCBH was CARF accredited in September 2017 Living Waters was CARF accredited in November 2016 Project Chesapeake was CARF accredited in June 2017 Carol Porto Treatment Center has the CARF survey on October 23 & 24 2017 Bayside Recovery was JCAHO accredited in December 2016
-----------------	--

Objective 2	Continue to enhance and expand services to provide an integrated continuum of evidence based, person centered treatment services.
--------------------	--

Action Steps	1. Expand MAT capacity 2. Continue to use the Sequential Intercept Mapping Tool and other tools to identify service gaps 3. Develop jail re-entry program 4. Expand Adult Treatment Court 5. Continue to expand integrated behavioral health services in Calvert County Public Schools 6. Continue to provide funding as appropriate for inpatient and residential referrals at all levels of care and maintain contracts with providers 7. Encourage local providers to accept MA 8. Expand and enhance hospital-based services for Calvert residents with behavioral health issues
---------------------	---

Key Person/Agencies Responsible	CCBH, LAA, CSA, individual providers, Calvert County Detention Center, Adult Treatment Court, District Court, Circuit Court, Parole and Probation, Calvert Memorial Hospital, Project Phoenix staff, PACCT, SMCN, Calvert County Family Network
--	---

Outcomes/Performance Measures

of residents funded into residential treatment
of residents funded for buprenorphine treatment
of Adult Treatment Court participants and # who graduate

Progress

See Goal 2, Objective 2 for MAT expansion
FY 15 Total: 45 unduplicated physician visits for buprenorphine
FY 16 Total: 77 unduplicated physician visits for buprenorphine
FY 17 Total: 42 unduplicated physician visits for buprenorphine

Organization and development of LDAAC ad hoc workgroup to implement SIM and Stepping Up Initiative – Calvert County Action Plan

BOCC signed Stepping Up Resolution January 2016

CCDC, CCBH and Calvert County Family Network hosted a training on LSCMI for re-entry

Received a CHRC grant for rational re-entry

Adult Treatment Court capacity has increased to 80 with 6 to graduate in January 2018

Crisis Intervention Teams still being considered
SMCN has hired a regional behavioral health liaison

Beginning Fall 2017, all Calvert County public schools have a co-occurring trained Behavioral Health Clinician on site.

In FY 15: 60 unduplicated referrals for residential treatment
FY 16: 102 unduplicated referrals for residential treatment
FY 17: 64 unduplicated referrals for residential treatment

Objective 3	Expand and enhance the current system of recovery support services available to County residents
--------------------	---

Action Steps	<ol style="list-style-type: none">1. Plan a complete system of recovery services2. Recruit recovery support providers/volunteers/peers to increase spectrum of care3. Increase enrollment in MDRN
---------------------	---

Key Person/Agencies Responsible

CCBH, LAA, CSA, individual providers, Calvert County Detention Center, Adult Treatment Court, District Court, Circuit Court, Parole and Probation

Outcomes/Performance Measures

of Wellness, Recovery Action Plans (WRAP) completed
of MDRN enrollees
of activities held at Barstow Recovery Support Center
of attendees at recovery events

Progress

Recovery Fest 2015, 2016, 2017 Recovery Event at Serenity Farms

Opened a structured recovery support center at CCBH. FY 16: 1058 Peer Encounters, 701 Unique/Original Peer Encounters, 2266 Recovery Support Outreach
FY 17: 1876 Peer Encounters, 651 Unique Peer Encounters, and 1368 Recovery Support Outreach

FY 16: MDRN enrollees – 34, enrollment into State Care Coordination – 144
FY 17: MDRN enrollees – 18, enrollment into State Care Coordination - 96

APPENDIX A

See attached.

Calvert County Substance Abuse Prevention and Treatment Matrix
2017 (updated May 2017)

Prevention Education/ Outreach	Law Enforcement/ EMS, Fire and Rescue	Treatment	Recovery
<p>Activity name: “Let’s Talk” Series</p> <p>Activity: Workshops focusing on topics of addiction, treatment and recovery.</p> <p>Agencies: CAASA, Calvert County Health Department, Prescription Drug Abuse Abatement Council, and Twin Beaches Opioid Misuse Committee</p>	<p>Activity Name: Adult Drug Court</p> <p>Activity: Adult treatment drug court for 100 adults</p> <p>Agencies: Calvert County Adult Drug Court; Calvert County Circuit Court; Calvert County State’s Attorney, and Calvert County Health Department</p>	<p>Activity Name: Treatment and Support Group Resource List</p> <p>Activity: Provide a comprehensive resource list containing all treatment and support group resources in Calvert County.
