Recovery Peer Specialists Training

Ethical Responsibility for Peer Recovery Specialist

Description: The Certified Peer Recovery Specialist (CPRS) is being asked to perform many roles and services in very diverse settings. As a result, complex ethical and legal issues can arise with the CPRS's performance of these new roles. This training will provide CPRS with the tools to assess the responsibilities and limits of their role and give an overview of the standards, principles, laws, and regulations which are the foundation of ethical practice.

Recovery Coach Academy

Description: The CCAR Recovery Coach Academy© is a 5-day (31 hours) intensive training academy focused on providing individuals with the skills needed to guide, mentor, and support anyone who would like to enter into or sustain long-term recovery from an addiction to alcohol or other drugs. The CCAR Recovery Coach Academy© prepares participants by helping them to actively listen, ask really good questions, and discover and manage their own issues. This training also qualifies as one of the core trainings for becoming a Certified Peer Recovery Specialist in Maryland.
