The Opioid Crisis and the Pathway to Recovery

DATE: Monday, September 25, 2017

PLACE: Union Hospital, Meeting Rooms 1 & 2
106 Bow St., Elkton, MD 21921

TIME: 5:30pm - 7:00pm

TOPIC: The opioid crisis knows no boundaries or borders –
addiction can strike anyone, anywhere, anytime.

Ashley Addiction Treatment and Union Hospital invite all leaders and members of the local faith community to join us for an honest and open conversation about an epidemic that is devastating families in our region and throughout the country.

In this forum, learn more about:

- What IS opioid addiction?
- Who is at risk?
- What is the impact on families and the community?
- What do I do? What resources are available?

The problem is great and solutions are elusive. But there is hope! Come and join us and find out what you can do to make a difference and help those in need!

This is a free event and open to everyone. For more information contact Marc Butler at 443-987-1218 or MButler@AshleyTreatment.org.
