Introduction

• Vet Centers are community-based counseling centers that provide a wide range of social and psychological services, including professional readjustment counseling to eligible Veterans, active duty service members, including National Guard and Reserve components, and their families.

• Readjustment counseling is offered to make a successful transition from military to civilian life or after a traumatic event experienced in the military.

• Vet Center counselors and outreach staff, many of whom are Veterans themselves, are experienced and prepared to discuss the tragedies of war, loss, grief and transition after trauma.
Who We Are

• We are the people in VA who welcome home war veterans with honor by providing quality readjustment counseling in a caring manner. Vet Centers understand and appreciate Veterans’ war experiences while assisting them and their family members toward a successful post-war adjustment in or near their community.

Mobile Vet Center

• The Mobile Vet Centers (MVC) of the Department of Veterans Affairs provide readjustment counseling and information resources to Veterans across the country.

• Like community-based Vet Centers, Mobile Vet Centers focus on services that help Veterans make the difficult transition between military and civilian life.
Vet Center Resources

• Vet Center Facebook Page:  https://www.facebook.com/VAVetCenters/

• Vet Center Webpage:    https://www.vetcenter.va.gov/

• Vet Center Call Center:  1-877-WAR VETS (1-877-927-8387)
  The Call Center is an around the clock confidential call center where combat Veterans and their families can call to talk about their military experience or any other issue they are facing in their readjustment to civilian life. The staff is comprised of combat Veterans from several eras as well as family members of combat Veterans. The service is free for combat Veterans and their families so they may find resources they need at their nearest Vet Center.
