### EXECUTIVE SUMMARY

As of June 30<sup>th</sup>, 2014, the Department has received 75 Health Home site applications and approved 59, with three pending, one withdrawn, and ten denied<sup>1</sup>. Approved Health Home sites include 45 Psychiatric Rehabilitation Programs (PRP), ten Mobile Treatment providers (MT), and four opioid treatment programs (OTP). These span 19 of Maryland's 23 counties and have enrolled 3,780 participants. Total claims paid from the program's launch in October 2013 through June 2014 equal to approximately \$1.3 million. The Department has finalized membership and scheduled meetings for the Health Home Advisory Committee and Site Visit Team in order to strengthen the Department's technical assistance efforts.

### TECHNICAL ASSISTANCE

In June, the Department finalized the protocols and implementation plan for the Health Home Advisory Committee and Health Home Site Visit Team, which will provide support and technical assistance to the Health Home provider community. The Advisory Committee is comprised of representatives from the stakeholder community who will meet with the Department's Health Home team. The first Advisory Committee meeting will be held in July to discuss the committee's role and next steps for providing technical assistance and to encourage expansion of Health Homes to eligible providers. The Health Home Site Visit Team will also convene in July to finalize implementation strategies to initiate on-site technical assistance to providers. The Office of Planning has developed and will be implementing evaluation activities to assess the impact of the program to date.
