

MEMORANDUM

TO: Charles Milligan, Deputy Secretary of Health Care Financing
FROM: OHS Policy & Compliance- Behavioral Health Division
RE: Monthly Health Homes Report- March 2014
DATE: April 7, 2014

EXECUTIVE SUMMARY

As of March 31st, 2014, the Department has received 72 Health Home site applications and approved 60, with one pended, one withdrawn, and ten denied¹. Approved Health Home sites include 46 Psychiatric Rehabilitation Programs (PRP), ten Mobile Treatment providers (MT), and four opioid treatment programs (OTP). These span 19 of Maryland's 23 counties and have enrolled 3,117 participants. Total claims from the program's launch in October 2013 through March 2014 equal **\$568,850.80**.

CONTINUING PROVIDER GUIDANCE

The Department continues to communicate with providers to ensure policies are clear and provider inquiries addressed. In March, this included guidance to Opioid Treatment programs that assisted in distinguishing Health Home services from services included in the weekly Methadone Maintenance rate in order to prevent duplicative billing. Health Home staff participate in Community Behavioral Health Association of Maryland (CBH) meetings to clarify Health Home policy questions and address other provider inquiries. The Department continues to develop protocols for a Health Home advisory committee with representation from providers, local agencies, and DHMH to improve communication and collaboration.
