

MEMORANDUM

TO: Charles Lehman, Acting Deputy Secretary of Health Care Financing
FROM: OHS Policy & Compliance- Behavioral Health Division
RE: Monthly Health Homes Report- May 2014
DATE: June 5, 2014

EXECUTIVE SUMMARY

As of May 31st, 2014, the Department has received 74 Health Home site applications and approved 59, with two pended, one withdrawn, and ten denied¹. Approved Health Home sites include 45 Psychiatric Rehabilitation Programs (PRP), ten Mobile Treatment providers (MT), and four opioid treatment programs (OTP). These span 19 of Maryland's 23 counties and have enrolled 3,596 participants. Total claims paid from the program's launch in October 2013 through May 2014 equal to \$1,074,867.46. The number of claims paid monthly appears to be stabilizing, with April and May totals near \$250,000 each. The Department continues efforts to ensure provider regulatory compliance, while supporting provider implementation through the formation of a Health Home advisory committee and site visit review team.

TECHNICAL ASSISTANCE & COMPLIANCE

In May, the Department completed an initial review of the Health Home claims in order to identify trends and ensure validity of submitted Health Home claims. Department staff identified providers needing additional technical assistance and initiated follow up accordingly. The Department is in the process of further developing a compliance strategy to ensure Health Home providers meet regulatory requirements established in COMAR. Additionally, the Department distributed guidance to Health Home providers clarifying the Health Home intake process and updating Health Home participant outcomes. The Health Home program is in the final stages of development of the Health Homes Advisory Committee and Site Visit team, with initial meetings likely to begin in the coming month.
