## 2020 License Renewals and Online License Verification

Good morning licensees. This message serves to address any concerns regarding 2020 license renewals. Due to the pandemic and the Governor's Executive Order related to various healthcare matters, license renewals for those with an expiration date of May 31, 2020 will be granted an extension 30 days past the date that Governor Hogan lifts the pandemic, without late fees or other penalties. Additionally, if you have already renewed your license online, you should be able to verify your license through our website in lieu of the official certificate that will be sent to you as soon as we are able to. You can do so by going to the landing page of our website: <https://health.maryland.gov/boardsahs> and under the menu on the left hand side, click on "verify a license." We appreciate your patience during these unprecedented times and continue to aim to serve all licensees in a timely manner. Please reach out with any questions or concerns. The staff contact information for various matters is also at the bottom of the landing page of our website. Thank you for your service and be well.

Kind regards,

Candace
