III. Praxis Examination Scores:

_____ Praxis Exam Score Report: Official Praxis score report must be sent to the Board when available.
Renewal of Limited License as an Audiologist

If an individual that holds a limited license as an audiologist is unable to obtain the minimum required time of supervised practice as a full time limited licensee, or obtain the specified months of supervised practice as a part-time limited licensee the individual may renew the limited license for an additional year. The renewal form and the $25.00 renewal fee must be submitted at least 30 days prior to the expiration of the limited license. An individual with a renewed limited license is eligible for transfer to a full license provided the minimum number of supervised months has been completed.

If an individual fails to obtain the minimum of 9 months of supervision within the two years of limited licensure the individual must wait an additional year after the expiration of the renewed limited license before the individual can reapply for a limited license as an audiologist.

Transfer of Limited License to Full License

An individual holding a limited license as an audiologist will be transferred to a full license provided the individual has met all the requirements full licensure and the limited licensee has been supervised for the appropriate amount of time. The Form SA3 must be received by the Board no sooner than the required time of supervised practice ends and no later than 60 days prior to expiration of the limited license. The limited license should submit all required documentation in order to be transferred to a full license, and submit the full license fee to the Board, in order to be approved by the Board to do so.
