**CONSENT ORDER**

On or about May 14, 2020, the Maryland Board of Examiners for Audiologists, Hearing Aid Dispensers and Speech-Language Pathologists (the “Board”), received an application for a reinstatement of license to practice speech-language pathology from Megha Bahl (the “Respondent”), License Number 08145. In that application, the Respondent disclosed that she had been practicing speech-language pathology in the State of Maryland after the expiration of her license on May 31, 2019.

On July 16, 2020, the Board voted to offer a Pre-Charge Consent Order to the Respondent, in lieu of issuing charges for violations of the Maryland Audiology, Hearing Aid Dispensing, and Speech-Language Pathology Act (the “Act”), Md. Code Annotated, Health Occupations Article (“Health Occ.”), § 2-101 *et seq.* and the Code of Maryland Regulations (COMAR), Chapter 10, Subchapter 41.

As a result of that offer, the Respondent and the Board agreed to the following Consent Order.

**FINDINGS OF FACT**

**MEGHA BAHL  
SPEECH-LANGUAGE PATHOLOGY LICENSE NO. 08145**

The Board finds that:

1. The Respondent was originally licensed to practice speech-language pathology in Maryland on April 27, 2016, under license number 08145. The Respondent's license expired on May 31, 2019.
2. On or about May 14, 2020, the Board received a written application from the Respondent, requesting a reinstatement of license number 08145.
3. In that application, the Respondent indicated that she had been practicing speech-language pathology in Maryland since the expiration of her license on May 31, 2019.
4. An investigation by the Board revealed that the Respondent continued to practice in a school setting, seeing patients from May 2019 until leaving that position in February 2020.

**CONCLUSIONS OF LAW**

Based on the foregoing findings of fact, the Board concludes that the Respondent violated Health Occ., § 2-314(12):

Subject to the hearing provisions of § 2-315 of this subtitle, the Board, may deny a license or limited license to any applicant, reprimand any licensee or holder of a limited license, place any licensee or holder of a limited license on probation, or suspend or revoke a license or limited license if the applicant, licensee, or holder:

...  
(12) Violates any provision of this title

Health Occ. § 2-301 (a)(1) states that:

Except as otherwise provided in this title, an individual shall be licensed by the Board before the individual may practice audiology, hearing aid dispensing, or speech-language pathology, or assist in the practice of

speech-language pathology in this State.

The Board finds that this violation of the Act falls within category A.(12) of the Board's sanctioning guidelines. See COMAR 10.41.13.04.A.(12). The range of potential regulatory sanctions for a violation of A.(12) is a reprimand up to revocation of a license and a \$1,000.00 fine. *Id.* However, the Board may consider certain aggravating factors in determining whether a sanction should fall outside of the guidelines established by regulation. See COMAR 10.41.13.05.A(2).

Further, pursuant to COMAR 10.41.13.04.C:

Notwithstanding the guidelines set forth in this chapter, in order to resolve a pending disciplinary action, the Board and licensee may agree to a surrender of license or a consent order with terms, sanction, and penalty agreed to by the Board and the licensee.

The Respondent and the Board are thus authorized to enter into an agreement whereby the Respondent pays the \$3,000 fine described in the Order below.

**ORDER**

Based upon the foregoing Findings of Fact and Conclusions of Law, it is hereby:

**ORDERED** that, no later than **NINETY (90) DAYS** of the effective date of this Order, the Respondent shall pay to the Board a monetary fine of **THREE THOUSAND DOLLARS AND ZERO CENTS (\$3,000.00)**, in full, by money order or cashier's check made payable to the Board and delivered by certified mail to the Board within **NINETY (90) DAYS** of the

effective date of this Order. Failure to pay this monetary fine in full to the Board within **NINETY (90) DAYS** of the effective date of this Consent Order shall constitute a violation of this Consent Order; and it is further

**ORDERED** that if the Respondent violates any of the terms and conditions of this Consent Order, the Board, in its discretion, after notice and an opportunity for an evidentiary hearing before the Board, if there is a genuine dispute as to the material facts, or an opportunity for a show cause hearing before the Board, may impose any other disciplinary sanction which the Board may have imposed in this case under Health Occ., § 2-314 including reprimand, probation, suspension, revocation, and/or additional monetary fine, said violation being proven by a preponderance of the evidence; and it is further

**ORDERED** that the Respondent shall comply with the Maryland Audiology, Hearing Aid Dispensing and Speech-Language Pathology Act, Health Occ., § 2-101 *et seq.*, and all federal and State laws and regulations governing the practice of speech-language pathology in Maryland; and it is further

**ORDERED** that this is a Final Decision and Order of the Board and, as such, is a **PUBLIC DOCUMENT** pursuant to Maryland Code Annotated, General Provisions Article § 4-101 *et seq.*
