Victor C. March, Board President called the meeting to order at 11:45 a.m. He began the meeting by welcoming the new board members. Ms. Lynn Shuppel, the new consumer member, is a retiree from a pension consulting firm as a CPA for 23 years and Mr. Robert Bradshaw, Jr., who is a licensee and former board member. The following members have been reappointed to the Board: Mr. Wayne Cooper, Dr. Camille Bryant and James Govoni.

A motion was made and seconded for approval of the April Minutes.

**ADMINISTRATIVE REPORT**

Ruth Ann Arty, Executive Director, reported we have been assigned a permanent room for meetings. The new room will include a Wi-Fi connection, multiple electrical outlets, T.V. screens and new furniture.
On April 17, 2015, Ms. Arty and Mr. March participated in the CCBC program to offer CEU’s to individuals that needed them for licensure. Updates from the legislature, mortuary transport regulations and pre-need law were discussed at length. As we went through CEU’s for licensure renewal, we noticed a lot of people had taken their pre-need CEU before the law was changed in July of 2014. If you took your pre-need credit for renewal prior to the statute change last year, you are probably not up on the current law or the current forms.

Licensure renewal was very busy, and due to the riots, State offices including the mail room were closed for two days. However, every renewal that arrived before the deadline was updated online for verification before expiration, and stickers followed.

The Board received a lot of out of state CEU’s. The regulations state there should be twelve Board approved credits. Please check the Board’s website for approved courses. We did accept some national courses that were presented to us, that were not submitted to the Board. If it was a course that would apply across the country, Ms. Arty, the CEU Committee and the Licensure Committee accepted the course. In February, the CEU Committee called for a discussion and vote on certification programs. The public discussion was if you are using credits for certification, they should not then be submitted for CEU’s. Ms. Arty, as Director, accepted them this renewal just to get licenses out. In the next licensing cycle, licensees cannot use the same CEU’s for more than one purpose.

We are doing well with Mortuary Transport Service Permits. There are more applications coming in, involving more jurisdictions around our state as our statutes and regulations are being understood. The medical examiner is continuing to provide the Board with a list that tells who picked up decedents, and that list is shared with the Board Investigator. It was Ms. Arty’s recommendation that we do not act on the list until after September 1, 2015 when everyone should be in compliance. If you are sending unlicensed transporters or contractual employees from an establishment that should have applied as a transport company, the Board is aware. The ID’s will begin to be issued in August when there is no Board meeting. The Office of Health Care Quality Assurance has submitted a regulation that will be subject the Mortuary Transport Service Regulations.

Crematory licensing is continuing. There are a couple of crematories being built in the State and we are getting a lot of crematory operator applications. There is Human Dignity training next month. The date will be posted on our website and emails will be sent out as a reminder of the date.
EXECUTIVE COMMITTEE REPORT
Mr. March asked the Chair of the Nominating Committee, Mr. Vernon Strayhorn, Sr. to provide the nominations for the Board. Mr. Strayhorn reported for President, Victor C. March, Sr., 1st Vice President, D. Lynn Newman, 2nd Vice President, James Govoni and Secretary, Vernon Strayhorn. A motion was made and seconded.

FAMILY SECURITY TRUST FUND ADVISORY COMMITTEE
Gladys Sewell, Chair reported there is currently $833,458.07 in the fund. The next meeting will be October 13, 2015 at 1:00 p.m. Ms. Arty added HB 58, which states you may not be in an elected position on any association and serve on an advisory committee. That bill will affect our advisory committee.

PRE-NEED COMMITTEE REPORT
In D. Lynn Newman’s absence, Mr. March reiterated that many of the firms are using the old form which is not approved for pre-need as of 7/1/2014. Also, a few people are still using the old insurance forms that have not been revised to comply with the new pre-need laws.

Vehicle Inspections
The Board is inspecting vehicles during establishment inspections. Firms have also been emailing Tom Anderson and coming to the Board on days he is in the building. Currently there are not mass inspections scheduled.

Electronic Communication
The Board has committed to provide information to our licensees and notify them of information related to our profession. We are going to do this through electronic communication, which will be our preferred method of communication going forward. If you have not provided the Board with your email address please do so.

Domestic Partnership
It has been years since the State has allowed domestic partnership to be equal to spouse for the right to final disposition. The new law states it does not have to be a same sex partner. There is an online tool called Justia Law that gives a list of qualifications that people must have to prove domestic partnership.
