BOARD OF PROFESSIONAL COUNSELORS AND THERAPISTS 4201 Patterson Avenue, Baltimore, Maryland 21215

NOTICE OF CRIMINAL HISTORY RECORDS CHECK

Please read carefully: Effective January 1, 2014, the Maryland Board of Professional Counselors and Therapists (the Board) requires that all applicants for licensure, certification and trainees status complete a criminal history records check in accordance with SS17-501 and 17-501.1 of the Health Occupations Article, Annotated Code of Maryland.

A Criminal History Records Check (CHRC) includes a national and state criminal history background search. The criminal history records check requires you to be fingerprinted. In order to be fingerprinted, you will need to complete and present the LiveScan Pre-Registration Form (attached).

You must present this form to the fingerprinting site because it provides the Criminal Justice Information System (CJIS) authorization number **#1300005490** and the FBI ORI number **#MD920512Z** assigned specifically to the Board. This allows the information to be forwarded directly to the Board.

For additional information contact CJIS at **410-764-4501**. For current listings of the fingerprinting providers, please go to https://dpscs.maryland.gov/publicservs/fingerprint.shtml

FOR FAST AND ACCURATE SERVICE

- **1**. When requesting a criminal history records check for licensing purposes, you must have an agency name and authorization number (see above).
- **2.** Your background check is being sent to the Board.
- **3.** You must bring with you a valid form of government identification (e.g. driver's license, Certificate of Naturalization, passport, Alien Registration Card, or Military Identification).
- **4.** Complete the LiveScan Pre-registration Application and bring it to any fingerprinting center/provider.
- **5.** Bring payment as indicated above. The Board will receive the results from the criminal history records check directly from CJIS within 5-7 business days. The Board will contact you if it has any questions regarding the report. Please do not contact the Board to check whether the report has been received.
- **6.** Please do not send the Live Scan Pre-registration Application to the Board. You must present it at the fingerprint center/provider location.

- **7.** If you live out of State and need to complete your fingerprints, please contact the Board at 410-764-4732 to have a fingerprint card mailed to you.
- **8.** For those who are renewing their license, please notify the Board that you have completed your fingerprints so that we may update the licensing database.

FBI PRIVACY & APPLICANT RIGHTS STATEMENTS

Privacy Act Statement

Authority: The FBI's acquisition, preservation, and exchange of fingerprints and associated information is generally authorized under 28 U.S.C. 534. Depending on the nature of your application, supplemental authorities include Federal statutes, State statutes pursuant to Pub. L. 92-544, Presidential Executive Orders, and federal regulations. Providing your fingerprints and associated information is voluntary; however, failure to do so may affect completion or approval of your application.

Principal Purpose: Certain determinations, such as employment, licensing, and security clearances, may be predicated on fingerprint-based background checks. Your fingerprints and associated information/biometrics may be provided to the employing, investigating, or otherwise responsible agency, and/or the FBI for the purpose of comparing your fingerprints to other fingerprints in the FBI's Next Generation Identification (NGI) system or its successor systems (including civil, criminal, and latent fingerprint repositories) or other available records of the employing, investigating, or otherwise responsible agency. The FBI may retain your fingerprints and associated information/biometrics in NGI after the completion of this application and, while retained, your fingerprints may continue to be compared against other fingerprints submitted to or retained by NGI.

Routine Uses: During the processing of this application and for as long thereafter as your fingerprints and associated information/biometrics are retained in NGI, your information may be disclosed pursuant to your consent, and may be disclosed without your consent as permitted by the Privacy Act of 1974 and all applicable Routine Uses as may be published at any time in the Federal Register, including the Routine Uses for the NGI system and the FBI's Blanket Routine Uses. Routine uses include, but are not limited to, disclosures to: employing, governmental or authorized non-governmental agencies responsible for employment, contracting, licensing, security clearances, and other suitability determinations; local, state, tribal, or federal law enforcement agencies; criminal justice agencies; and agencies responsible for national security or public safety.

As of 03/30/2018

NONCRIMINAL JUSTICE APPLICANT'S PRIVACY RIGHTS

As an applicant who is the subject of a national fingerprint-based criminal history record check for a noncriminal justice purpose (such as an application for employment or a license, an immigration or naturalization matter, security clearance, or adoption), you have certain rights which are discussed below. All notices must be provided to you in writing. ¹ These obligations are pursuant to the Privacy Act of 1974, Title 5, United States Code (U.S.C.) Section 552a, and Title 28 Code of Federal Regulations (CFR), 50.12, among other authorities.

- You must be provided an adequate written FBI Privacy Act Statement (dated 2013 or later) when you submit your fingerprints and
 associated personal information. This Privacy Act Statement must explain the authority for collecting your fingerprints and associated
 information and whether your fingerprints and associated information will be searched, shared, or retained. ²
- You must be advised in writing of the procedures for obtaining a change, correction, or update of your FBI criminal history record as set forth at 28 CFR 16.34.
- You must be provided the opportunity to complete or challenge the accuracy of the information in your FBI criminal history record (if you have such a record).
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the officials deny you the employment, license, or other benefit based on information in the FBI criminal history record.
- If agency policy permits, the officials may provide you with a copy of your FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at https://www.fbi.gov/services/cjis/identity-history-summary-checks and https://www.edo.cjis.gov.
- If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI by submitting a request via https://www.edo.cjis.gov. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30 through 16.34.)
- You have the right to expect that officials receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.³
