On Monday December 1, 2014, the Board convened a Case Resolution Conference ("CRC") regarding this matter. Present at the Case Resolution Conference was Debra A. Smith, Administrative Prosecutor, and the Respondent, Jennifer Lily, L.C.P.C. Based on negotiations which occurred as a result of this Case Resolution

Conference the Respondent agreed to enter into this Consent Order, consisting of Findings of Fact, Conclusions of Law, and Order.

FINDINGS OF FACT

The Board makes the following findings of fact:

1. At all times relevant to the charges, the Respondent was and is licensed to practice as a licensed counselor in the State of Maryland.
2. The Respondent was originally issued a license to practice in the State of Maryland on or about January 8, 2004, and her current license expires in January 2016.
3. The Board opened an investigation of the Respondent, after finding out that the Respondent supervised an unlicensed individual in the practice of counseling and therapy.
4. The Respondent provided supervision to an unlicensed therapist ("Witness A")¹, who admitted that she had been providing clinical services for twenty clients without a valid license.
5. Witness A claimed that the Respondent was her supervisor, and that she had been practicing under the Respondent's license.
6. The Board issued a request for subpoena for 15 client records from Witness A.
7. The subpoenaed treatment records indicate that the Respondent supervised Witness A's diagnosis, treatment plans and referral options for the 15 clients from on or about November 2012 through June 2013.

¹The identity of Witness A is not included in this document in order to protect the privacy of Witness A. This information, however, will be provided to the Respondent upon request.

8. The Board also issued a request for subpoena to the Respondent for supervision notes from the Respondent's supervision of Witness A.

9. On or about November 18, 2013, Board staff interviewed the Respondent regarding her supervision of Witness A. The Respondent admitted that she supervised Witness A, who was providing counseling and therapy services to clients. She also admitted that she knew Witness A was not a licensed therapist, during the period of time she was providing supervision for Witness A.

10. The Respondent stated that she met with Witness A in or about November 2012, and that Witness A stated she was practicing under a supervisor who was retiring, and that she needed a new supervisor. According to the Respondent, Witness A stated that she had an application for licensure on file with the Board. The Respondent stated that she agreed to supervise Witness A.

11. During the Board interview the Respondent stated that she believed Witness A was allowed to practice counseling, because she had been "grandfathered" in under the Board's regulations, because she was providing counseling services in the State of Maryland before the Board was created. The Respondent, however, did not provide a citation to any law, regulation, or advisory document from the Board that permitted Witness A to practice without a license.

12. The Respondent did not provide the Board with any information or documentation that she contacted the Board to determine whether Witness A was allowed to practice without a license as a counselor in the State of Maryland during the relevant time period.

13. The Respondent reported that, in or about March 2013, she advised Witness A to cease practicing After Witness A reported that she was the subject of a Board complaint for unauthorized practice.

14. The Respondent's actions as described herein violate H.O. §§ 17-509 (4), (8), (13); and/or COMAR 10.58.03.04A (8), and B (2); and/or COMAR 10.58.12.07(A), (B), (C), (F), and (H).

CONCLUSIONS OF LAW

Based on the foregoing findings of fact the Board concludes as a matter of law that the Respondent's actions violated: H.O. §§ 17-509 (4), (8), and (13); COMAR 10.58.03.04A (8), and B (2); and COMAR 10.58.12.07(A), (B), (C), (F), and (H).
