CONSENT ORDER OF PROBATION

On or about October 29, 2021 the Maryland Board of Occupational Therapy Practice (the "Board"), received an application for reinstatement of the Occupational Therapy license of Pamela Spear (the "Respondent"), License Number 04711. The Respondent's license had expired on June 30, 2021. An investigation by the Board revealed that the Respondent had practiced Occupational Therapy with an expired license between the expiration of her license and October 27, 2021.

On November 2, 2021, the Board voted to offer a Pre-Charge Consent Order to the Respondent, in lieu of issuing charges for violations of the Maryland Occupational Therapy Act (the "Act"), Md. Code Annotated, Health Occupations A1iiclc ("Health Occ."), § 10-101 *et seq.*

As a result of that offer, the Respondent and the Board agreed to the following Consent Order.

PAMELA SPEAR
OT LICENSE NO. 04711

FINDINGS OF FACT

The Board finds that:

I. The Respondent was originally licensed as an Occupational Therapist in Maryland on May 21, 2001, under license number 04711.

An Occupational Therapist license issued an odd-numbered year ordinarily expires on May 31st of the next odd-numbered year, with a grace period extending to June 30th of that year for renewal without needing to apply for reinstatement. May 31st is therefore the annual deadline for a timely renewal for licensees to renew an Occupational Therapist license.

3. Due to the COVID-19 state of emergency and public health emergency, the Governor of Maryland ordered the expiration date of all state-issued licenses that would otherwise expire prior to June 30, 2021, and would be renewable during that period, extended to June 30, 2021. See Order of the Governor of the State of Maryland No. 21-03-09-03.

4. The Board notified the Respondent at her email address of record on April 2, 2021, on April 26, 2021, and again on June 17, 2021 of the pending expiration of her license on June 30, 2021.

5. The Board again contacted the Respondent by electronic mail on July 13, 2021 to remind her that her license had expired on June 30, 2021.

6. The Respondent practiced Occupational Therapy on seventy-eight (78) separate dates between the expiration of her license on June 30, 2021 and September 10, 2021.

CONCLUSIONS OF LAW

Based on the foregoing findings of fact, the Board concludes that the Respondent violated Health Occ., § 10-315(4):

Subject to the hearing provisions of § 10-316 of this subtitle, the Board may deny a license or temporary license to any applicant, reprimand any licensee or holder of a temporary license, place any licensee or holder of a temporary license on probation, or suspend or revoke a license or temporary license if the applicant, licensee, or holder:

(4) Knowingly violates any provision of this title;

Health Occ. § 10-301 (a) states:

Except as otherwise provided in this title, an individual shall be licensed by the Board before the individual may practice occupational therapy or limited occupational therapy in this State.

Health Occ. § 10-311(a) states:

A license expires on a date set by the Board, unless the license is renewed for an additional term as provided in this section.

Ordinarily, a license issued in an odd-numbered year, as the Respondent's was, must be renewed on or before May 31st of the next odd-numbered year, which is the date set by the Board and disseminated to licensees via email prior to the expiration of their licenses. The 2020-2021 state of emergency and public health emergency changed the expiration date.

although licensees were still advised to renew in a timely fashion in May or at the latest on June 30th. In an order dated March 9, 2021, the Governor of Maryland ordered the expiration date of all state-issued licenses that would otherwise expire prior to June 30, 2021, and would be renewable during that period, extended to June 30, 2021. See Order of the Governor of the State of Maryland No. 21-03-09-03.

In light of all facts and circumstances, the Board and the Respondent agree to the following terms and conditions:

ORDER

Based upon the foregoing Findings of Fact and Conclusions of Law, it is hereby: **ORDERED** that the Respondent is hereby placed on **PROBATION** for a period of no less than **TWO (2) YEARS** subject to the following conditions:

- 3) The Respondent shall provide written proof to the Board within thirty (30) days of the effective date of this Order, that she has notified her current employer of the probationary status of her license.
