**PRE-CHARGE CONSENT ORDER**

**Background**

The Maryland Board of Physical Therapy Examiners (the “Board”) conducted a random continuing education audit of Wendy Harrell, P.T. (the “Respondent”), after she renewed her license which expired on May 31, 2013. The Respondent initially failed to respond to the continuing education audit with documentation of the 30 requisite hours of approved continuing education. Thereafter, the Respondent failed to respond to the Board’s request for additional documentation in a timely fashion.

In lieu of instituting formal proceedings against the Respondent, in accordance with the Maryland Physical Therapy Act, Md. Code Ann., Health Occ. § 13-101 *et seq.*, the Board and the Respondent have agreed to resolve this matter as set forth in this Consent Order.

**FINDINGS OF FACT**

1. At all times relevant hereto, the Respondent possessed a license to practice physical therapy under Maryland License No. 20373.
2. After the Respondent renewed her license which expired on May 31, 2013, the Board randomly selected the Respondent for a continuing education audit in accordance with Board regulations, COMAR 10.38.08.06.

3. The Respondent's response to the audit failed to provide evidence of completion of the requisite 30 approved continuing education hours. The Respondent only provided certificates for 20 hours of continuing education.
4. On July 22, 2013, Board staff sent the Respondent, via electronic mail, notification that the Respondent did not satisfy the audit and instructed the Respondent to submit evidence of completion of the deficient 10 continuing education credits as soon as possible.
5. The Respondent did not respond to the Board's notification.
6. Having received no response, on August 14, 2013, Board staff again contacted the Respondent, via telephonic voicemail, to instruct the Respondent to provide documentation to the Board to satisfy the continuing education audit.
7. On August 21, 2013, the Respondent sent to the Board, via electronic mail, evidence of completion of continuing education units that satisfied the requirements for licensure renewal.
8. The Respondent's failure to timely respond, on two occasions, to the Board's follow-up of its continuing education audit constitutes unprofessional conduct in the practice of physical therapy.

#### **CONCLUSION OF LAW**

Based on the foregoing Findings of Fact, the Board concludes that the Respondent is subject to disciplinary action in accordance with Md. Code Ann., Health Occ. §§13-316(15) and (19) and § 13-407.1.

#### **ORDER**

Based on an affirmative vote of a majority of the Board, it is this 22<sup>nd</sup> day of October, 2013, hereby:

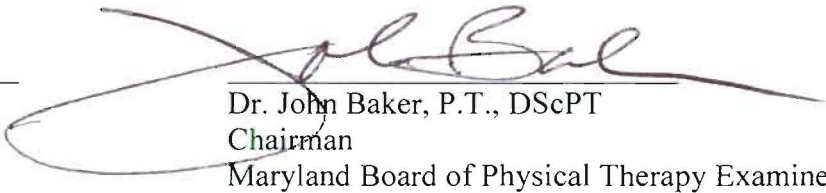

**ORDERED** that the Respondent shall be REPRIMANDED; and be it further,

**ORDERED** that the Respondent, shall pay a fine in the amount of \$300, payable to the Maryland Board of Physical Therapy Examiners within sixty (60) days of the date of this Order; and be it further,

**ORDERED** that failure to pay in full the above fine within sixty (60) days of the date of this Order shall be considered a violation of this Order, and after notice and opportunity for a show cause hearing shall subject the Respondent to further discipline such as suspension, revocation or further fines based on the violations cited in this Order; and be it further,

**ORDERED** that this is a formal order of the Maryland Board of Physical Therapy Examiners and as such is a public document pursuant to the Maryland Annotated Code, State Government Article, Section 10-617 (h).

**CONSENT**

The Respondent consents and submits to the foregoing Findings of Fact, Conclusions of Law, and Order as if made after a full evidentiary hearing in which the Respondent would have the right to counsel, to confront witnesses, to give testimony, to call witnesses on her behalf, and to all other substantive and procedural protections provided by law.
2. By signing this Consent, the Respondent waives any rights she may have had to contest the findings and determinations contained in this Consent Order.
