WORK EXAMINERS

ORDER TERMINATING PROBATION

On September 10, 2021 the Maryland Board of Social Work Examiners (the "Board") entered into a post-charge Consent Order (the "Consent Order") with Autumn Williams (the "Respondent").

Pursuant to the Consent Order, the Board placed the Respondent on probation. The Respondent was subject to the conditions of probation outlined in the Consent Order. The Respondent subsequently filed a timely petition to terminate the probation.

On July 10, 2026, the Board met in its quasi-judicial capacity to review the Respondent's timely petition to terminate the probation.

After reviewing the Respondent's petition and in recognition of the Respondent's compliance with the terms and conditions of probation in case 2019-2727, the Board will grant the Respondent's request. Therefore, it is hereby:

ORDERED that the probation imposed upon the license of Autumn Williams, to practice social work pursuant to the Consent Order in Case 2019-2727, is hereby **LIFTED AND TERMINATED**; and it is further

ORDERED that this is a Final Decision and Order of the Maryland State Board of Social Work Examiners and as such is a PUBLIC DOCUMENT pursuant to Maryland Code Annotated, General Provisions Article §4-101 et seq.
