# NourishMD Grant Program

## Other Funding Sources

**Partnership with Maryland Market Money (MMM) Program** provides a dollar-for-dollar match for purchases made using federal nutrition benefits at participating Maryland farmers markets, farm stands, and other on-farm retailers while providing technical assistance, training, marketing, and additional services to stakeholders. Eligible applicants are encouraged to apply to both programs and will receive priority for awards.

The Maryland Department of Agriculture and NourishMD have partnered to **co-award** funds to farmers markets and on-farm stands that offer fresh food in areas with low access.

**Maryland Department of Health's Healthy Corner Store Program** provides grants to establish relationships between local health departments and small scale retail stores in Maryland recognized rural districts, recognize those establishments that are stocking healthy products, and recommend areas for improvement for retailers to meet the criteria of a Healthy Maryland Corner Store.

**The Neighborhood BusinessWorks Program** offered by DHCD can further provide loans of up to \$5 million.

## Program Fees

- No application fee
- \$250 processing fee sourced from award amount
