Carroll County Health Department, Local Behavioral Health Authority is authorized by the Board of Social Work Examiners in Maryland to sponsor social work continuing education learning activities and maintains full responsibility for this program. This training qualifies for 5.5 CEUs Category I continuing education units.

Supported by a grant provided by Maryland's Office of Overdose Response. The views presented here are those of the grantee organization and not necessarily those of MOOR, its Special Secretary of Overdose Response, or its staff.

Day 1: January 28th Ira Chasnoff, M.D.

Attendees will develop a shared understanding of the impact of prenatal substance exposure across the child & adolescent age span.

Day 2: January 29th

Attendees will engage in OPEN conversation facilitated by the University of Maryland School of Pharmacy (BHRT Team) to identify local supports and gaps for children with prenatal substance exposure.
