CRC, the Applicant agreed to enter into the following Consent Order, consisting of Procedural Background, Findings of Fact, Conclusions of Law, Order, Consent and Notary.

FINDINGS OF FACT

The Board makes the following Findings of Fact:

1. The Applicant submitted his Application to the Board on or about April 21, 2017. In his Application, the Applicant was instructed to respond "YES" or "NO" to a series of questions. The Application instructed the Applicant to provide a detailed explanation on a separate sheet for every "YES" response.
2. The Applicant answered "YES" to the following question:

Have you ever been arrested or pled guilty, *nolo contendere*, no contest, or been convicted, or received probation before judgment for any criminal act, including DWI or DUI?
3. The Applicant provided a written attachment to his Application, dated April 10, 2017, in which he addressed the "YES" response he noted in his Application. The Applicant disclosed that while attending New York Chiropractic College, he pleaded guilty to one misdemeanor count of filing for government aid incorrectly. In this attachment, the Applicant did not disclose any other arrests, guilty pleas, pleas of *nolo contendere* or no contest, or that he had any convictions or received probation before judgment for any criminal acts, including driving while impaired ("DWI") or driving while under the influence of alcohol ("DUI").
4. The Board initiated an investigation of the Applicant based on the information he provided in his Application.

5. The Board's investigation determined that on November 2, 2016, in the Waterloo Village Court, Seneca County, New York, the Applicant entered a guilty plea to a misdemeanor charge of offering a false instrument for filing in the second degree. According to court documents, the Applicant submitted an application to the Supplemental Nutrition Assistance Program, or SNAP (formerly known as the Food Stamp Program), in which he failed to fully disclose his employment status. On December 13, 2016, the Applicant was sentenced to conditional discharge for one year and was ordered to pay a court cost surcharge of \$ 205.00.

6. The Board's investigation also determined that the Applicant failed to disclose an alcohol-related motor vehicle offense on his Application. The Applicant failed to disclose on his Application that: (a) on November 22, 2014, he was arrested for Operating a Motor Vehicle Under the Influence of Alcohol and/or Drugs in Seneca Falls, New York; (b) on January 8, 2015, he pleaded guilty in the Seneca Falls Town Court, Seneca County, New York, to Driving While Ability Impaired; and (c) he was sentenced to conditional discharge for a period of one year, commencing on January 8, 2015; a fine of \$500.00; and attending a victims impact panel.

7. On June 6, 2017, the Board issued its Notice in which it stated that it intended to deny the Applicant's Application pursuant to the following provisions of Health Occ. I § 3-313: (1) Fraudulently or deceptively . . . attempts to obtain a license for the applicant . . . ; (5) Is convicted of or pleads guilty or *nolo contendere* to a felony or to a crime involving moral turpitude, whether or not any appeal or other proceeding is pending to have the conviction or plea set aside; (8) Is unethical in the conduct of the practice of chiropractic; (12) Makes or files a false report or record in the practice of

8. The Board also stated in its Notice that it intended to deny the Applicant's Application based on his violation of COMAR 10.43.14.03 and 10.43.07.05.

9. Following further investigation, the Board makes the following additional findings:

A. The Applicant's additional employment income would not have affected his eligibility for SNAP benefits and thus was viewed as a reporting error rather than an attempt to defraud, or actually defrauding, the SNAP program.

B. The Applicant promptly provided details regarding the alcohol offense when notified of his inadvertent failure to include the information in the supplement to his Application. The Applicant completed the required items of the court, as well as a New York State Department of Motor Vehicle Drinking Driver Program and a National Safety Council Defensive Driver Program. The Applicant fully and completely cooperated with the Board's subsequent investigation.

C. The Applicant graduated from the New York Chiropractic College in 2017, having received the Clarence Fick Memorial Award for research, the Distinguished Service Award for research and volunteer tutoring and having achieved Dean's List. The Applicant

SEP 11 2017

continues his studies at the New York Chiropractic College in pursuit of his Master's degree in Human Anatomy and Physiology.

- D. The Applicant is employed at the Baltimore Back and Pain Center in their marketing department. He presented letters of reference from several licensed chiropractors who are co-employees, attesting to his honesty and work ethic and recommending him for licensure.
- E. The Applicant acknowledged his past actions, inactions and errors in judgment indicating a commitment to improvement. He has voluntarily enrolled in and has successfully completed a Board-approved program in professional ethics.

CONCLUSIONS OF LAW

Based on the foregoing Findings of Fact, the Board concludes as a matter of law that it has grounds to deny the Applicant's Application pursuant to Health Occ. I § 3-313(19), Violates any rule or regulation adopted by the Board.
