

# Employment 1st Committee

We need you to help advance  
DDA's Employment 1st goals

## **What is the Employment 1st Committee?**

The Employment 1st Committee is made up of people who are committed to ensuring people with developmental disabilities have access to the tools they need to achieve their employment-related goals. The Employment 1st Committee is also committed to the belief that all people can work.

## **What additional voices are needed on the Employment 1st Committee?**

We are actively seeking new members who use DDA employment services to join our committee. Your voice is important as we talk about DDA's employment services. We need your input.

## **What is the time commitment?**

The Employment First Committee meets on the second Tuesday of each month from 12:30-2 p.m. There is also an opportunity to join a subcommittee if you are interested. Subcommittee meetings meet separately.
