

COVID-19 DDA Services

Temporary changes, effective March 13, 2020, and Revised December 12, 2022

Service Delivery Flexibilities

- May be provided over the phone, or by Skype, Zoom, Facetime, etc. to allow services to continue to be provided remotely in the home and community settings
- Maybe provided in a variety of settings such as the person's home, family and friend's homes, and other community settings
- May provide this service for people who are in an acute care hospital or short-term institutional stay
- May be provided in neighboring states **(Ended on August 15, 2021)**
- Personal care assistance may comprise the entirety of the service, as appropriate **(Ends on September 30, 2022)**

Service Authorization Changes

- The DDA may authorize additional service hours per week when the person was receiving meaningful day services under the traditional service delivery model prior to the State of Emergency and currently receives 28 hours or more personal support services per week
- May exceed current authorization and 82 hours per week without prior authorization by the DDA, within the person's authorized budget **(Ends on September 30, 2022)**

Staffing Flexibilities

- May be rendered by relatives or legally responsible individuals and they may be paid for greater than 40-hours per week for services without prior authorization by the DDA (including spouses and parents of minor children) **(Ends on September 30, 2022)**
- Expedited onboarding with only essential training required prior to supporting people **(Ends on June 30, 2023)**
- Residential Services Agencies, including providers authorized under the Medicaid Community First Choice program, may provide Personal Supports during the emergency **(Ends on September 30, 2022)**
