

Appendix K and Executive Orders Flexibilities: updated March 14, 2022

Appendix K may be used by states during emergency situations to request amendments to approved Home and Community Based waivers. The tables below categorize the Appendix K flexibilities based on their termination date, where applicable, and by authority source. Flexibilities noted with an (*) will have some service-level exceptions through DDA's Waiver Amendment #3 or via recently revised DDA processes post Appendix K termination. These exceptions are detailed in the No Termination/Retained Permanently table.
