The Developmental Disabilities Administration (DDA) recognizes the invaluable work that you do as Coordinators of Community Service (CCS)s. ### **6. Social Security Benefits (New March 8, 2021)**

In instances where an individual needs to apply for Supplemental Security Income (SSI) benefits, the CCS is expected to work with the individual, legal guardian, authorized representative and take the lead, supporting the individual application for SSI benefits. This may involve educating the individual and family of the SSI application process or playing a more involved role in applying for SSI benefits as requested. CCSs should include applying for SSI benefits as part of the transition plan, for individuals who received SSI benefits prior receiving services in an institution.

## 7. EDD Letters

Letters and communications from EDD can be found in LTSS*Maryland* within the following locations (1) Programs > Letters > DDA EDD Letters section and (2) Case Management > Client Attachments.

Please be sure to review these areas daily and follow up with the applicant/participant and/or family when necessary, to ensure that EDD receives timely responses to their requests for additional information.

## 9. EDD Denials (Revised March 18, 2021)

Due to the COVID-19 State of Emergency, EDD is not denying MA Waiver Applications that are pending for failure to return information, or if an ATP was not received.

**Therefore, it is not necessary to submit multiple copies of the MA Waiver Application to EDD.**

### NOTES:

- (1) For initial applications, the application must have been received by EDD prior to the six (6) month expiration period.
- (2) **An application is viable for six (6) months, starting from the first day of the month associated with the date at the top of the application, as initial by the CCS.**
  - If a CCS received an application on 8/24/2020 and does not submit it to EDD until 12/31/2020, the application is still viable (i.e., has not exceeded the six (6) month timeframe). ***A new MA Waiver Application is not needed.***
  - If a CCS received an application on 8/24/2020 and does not submit it to EDD until 1/31/2021, the application has already expired prior to being received by the State (i.e., EDD) and ***a new MA Waiver Application is required.***
    - In this example, the six month counter starts August 1 (as month one) even though the application was received on August 24. The six months time frame starts from August 1 and would expire

January 31.

- (3) EDD will honor and not deny MA Waiver Applications that are submitted within the 6 month timeframe *even if an ATP has not been submitted.*
