

Maryland
DEPARTMENT OF HEALTH

Developmental Disabilities Administration (DDA) Coordinators of Community Services Meeting

February 18, 2025

Agenda

- Welcome
- Statewide Themes and Trends
- Policy and Program Updates
- Closing and Questions

Statewide Themes and Trends

Medicaid Waiver Eligibility

- Individuals who are denied enrollment or are disenrolled from any of the DDA-operated Medicaid waiver programs must be added to an *LTSS Maryland* “wave” before reapplying.
- A new waiver application cannot be submitted by the Coordinator of Community Services for the individual unless they have been added to a *LTSS Maryland* wave.
- Coordinators of Community Services should contact the Regional Office if:
 - An individual wants to reapply; or
 - An individual has been globally deactivated and wants to be reactivated.

Medicaid Waiver Eligibility

- Both **Initial** and **Annual Level of Care** forms are posted on the DDA's [Partnering with CCS](#) webpage.

Level of Care

-  Initial Level of Care Form - English Version
 -  Nivel de Atención, Certificado Inicial de Necesidad - Español (Initial Level of Care Form - Spanish Version)
-  Level of Care Recertification Form - English Version
 -  Nivel de Atención, Nueva Certificación de Necesidad - Español (Level of Care Recertification Form - Spanish Version)

Why? Coordinators of Community Services must complete the required DDA forms to meet compliance requirements.

Medicaid Waiver Eligibility

- The **Level of Care** form serves as documentation that an individual is medically eligible to participate in a DDA-operated Medicaid waiver program.
- Pages 59 - 68 of the [Community Pathways Waiver](#) include details regarding the Level of Care. These details also appear in the Community Supports Waiver and Family Supports Waiver.
- The date the Medicaid Application is signed should be the same date listed on the initial Level of Care, per the concurrent eligibility process.

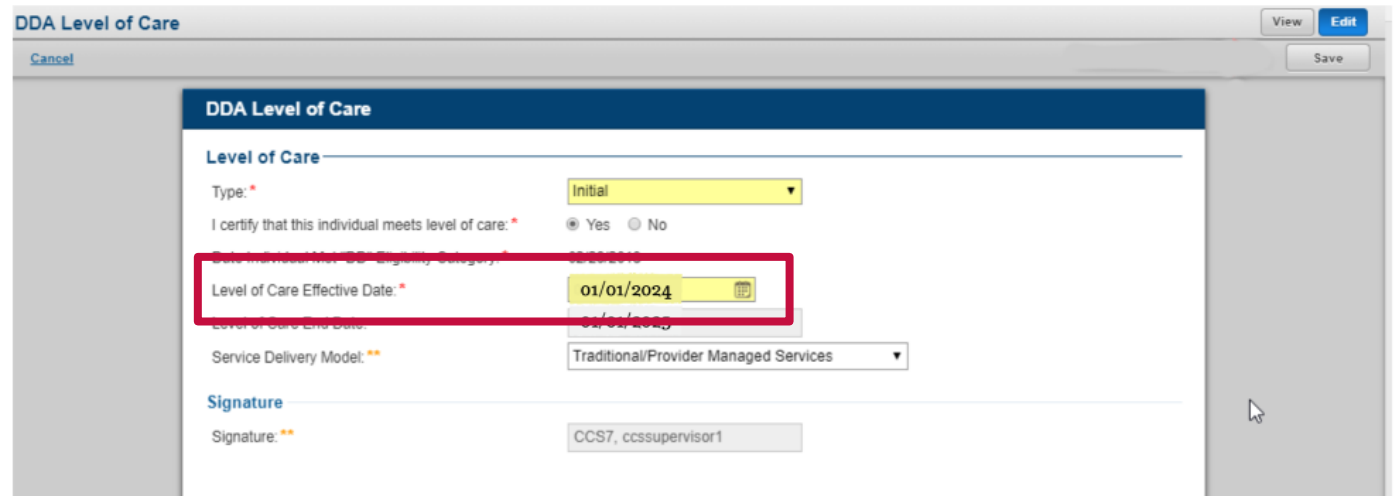

Medicaid Waiver Eligibility

Level of Care Effective Date:

- This date should reflect the same date as the date the MA Waiver Application was signed by the applicant.

The consequences of not complying with the law are: my benefits may be denied; I may be required to pay back the State for benefits received; my case may be investigated for suspected fraud; and I may be prosecuted for perjury, larceny, and/or Federal health care fraud [not limited to Statute 42 U.S.C. sec. 1320a-7b (a) (ii)], which may involve a fine up to \$10,000 per offense and/or federal imprisonment.

	<input type="text" value="January 1, 2024"/>
Signature of Applicant/Recipient	Date
Signature of Witness (If signed with X)	Date
Signature of Spouse (If applicable)	Date
Signature of Authorized Representative (If applicable)	Date

DDA Level of Care

Level of Care

Type: * Initial

I certify that this individual meets level of care: * Yes No

Date Individual Met Level of Care Eligibility Category: * 01/01/2024

Level of Care Effective Date: * 01/01/2024

Level of Care End Date: 01/01/2025

Service Delivery Model: ** Traditional/Provider Managed Services

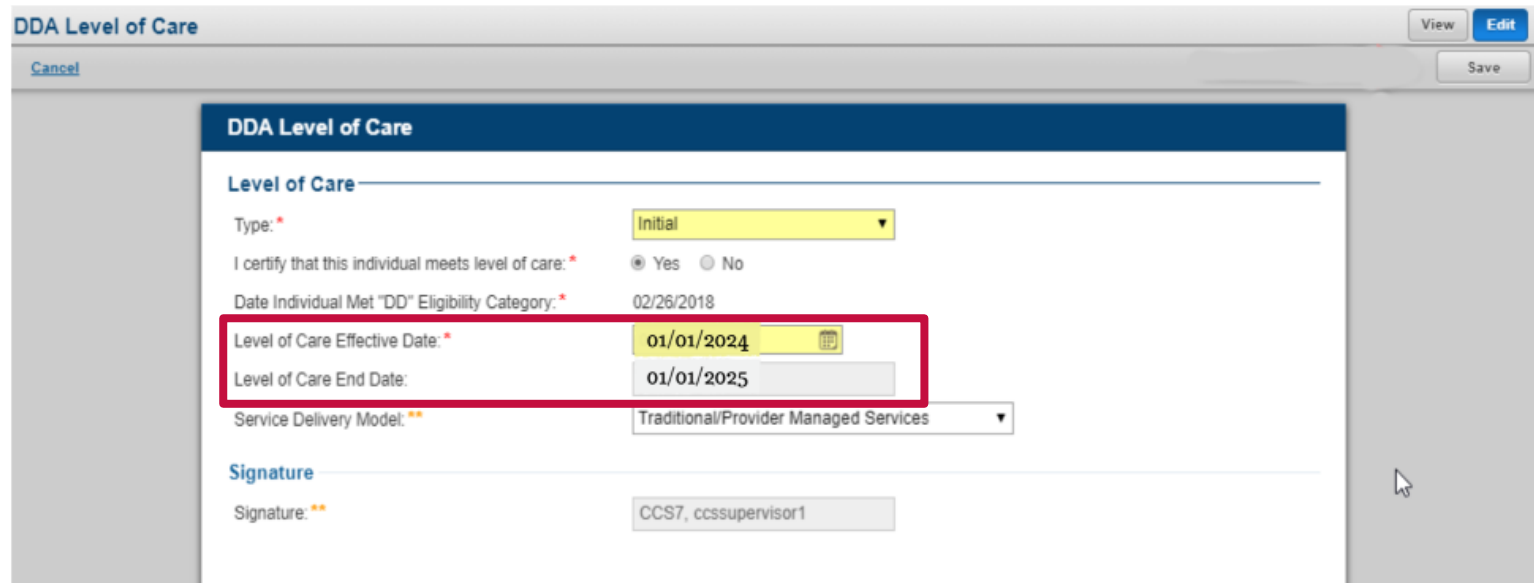

Signature

Signature: ** CCS7, ccssupervisor1

Medicaid Waiver Eligibility

Level of Care End Date:

- This date should reflect 365 days after the Initial Level of Care effective date

The screenshot shows a web-based form titled "DDA Level of Care". The form contains several fields: "Type" (Initial), "I certify that this individual meets level of care" (Yes), "Date Individual Met 'DD' Eligibility Category" (02/26/2018), "Level of Care Effective Date" (01/01/2024), "Level of Care End Date" (01/01/2025), "Service Delivery Model" (Traditional/Provider Managed Services), and "Signature" (CCS7, ccssupervisor1). A red rectangular box highlights the "Level of Care Effective Date" and "Level of Care End Date" fields, illustrating the 365-day interval between them.

Person-Centered Planning

Plan for Coordinators of Community Services coverage challenges

- Open the Person-Centered Plan at the 90-day mark and enter the meeting date as soon as possible.
- Write comprehensive meeting minutes with attendees.
- Supervisors should track plan development to ensure they are meeting timelines.

Why? Coordination of Community Service Agencies will be better prepared to ensure that every plan is completed on time.

Person-Centered Planning

Increase in Auto-Extend

- Report barriers to the Regional Office for technical assistance prior to the 20-day submission deadline.
- Urgently prioritize development and submission.
- Plans should not be in clarification for more than five (5) days. Report any barriers to the Regional Office and submit the plan.
- Utilize *LTSSMaryland* reports to identify a list of all plans in auto-extend with your agency.

Why? Plans in auto-extend delay current service needs, create FMCS payment concerns, prevent duplicate monitoring and follow-up forms, and more.

Person-Centered Planning

Virtual Supports is not clearly identified in required forms (1 of 2)

- Virtual Supports is a service that must be specifically noted in the Service Implementation Plan (SIP), outlined in the Person-Centered Plan and uploaded into the documentation section of the Person-Centered Plan.
- Coordinators of Community Services must review the Service Implementation Plan (SIP) with the person and their authorized representative and share requested changes with the DDA provider.

Person-Centered Planning

Virtual Supports is not clearly identified in required forms (2 of 2)

- Coordinators of Community Services must document the quality and effectiveness of all services, including virtual supports, during quarterly monitoring and follow up activities.

Why? Virtual Supports must be agreed by participants and used to support a participant to reach identified outcomes in the Person-Centered Plan.

Monitoring and Follow-Up Visits - Form Submission

- Coordinators of Community Services can complete an in-person monitoring visit anytime up until the *LTSSMaryland* system-generated due date.
- The monitoring and follow up form must be completed by the due date.
- The “overdue-in progress” 15-day extension allows the Coordinator of Community Services to complete the form.

Monitoring and Follow-Up Visits - Form Submission

The Targeted Case Management service type is “Community Coordination”.

- Community Coordination Services are provided when a participant receives funding for community-based services from the DDA. **This requires quarterly in-person monitoring visits.**
- In the LTSS *Maryland* system, the frequency requirement can be found under the “Type of Review” column of the participant’s Monitoring and Follow-Up page.
- The in-person visit must be within the start of the quarter up until the due date.

Type Of Review	Due Date	Status	Active/Inactive	Actions	Follow-up for Issues/Risks/Safety/Concerns
Quarterly	09/01/2023	Pending	Inactive	View	
Quarterly	06/01/2023	Submitted	Active	View	

Monitoring and Follow-Up Visits - Form Submission

Recommended Actions (Section 9)

- Use the “Considerations and Confirmation Sources” found within the [Monitoring and Follow-Up Guidance](#) to assess health and safety, service delivery, and participant satisfaction with services.
- After discussing with the team, enter recommended actions into the Monitoring and Follow-Up form.
- Make sure to follow-up on recommended actions.

Section 9: Recommended Actions					
Relevant Section	Item/Topic	Recommended Action	Due Date	Status	
5: Health and Welfare	Risk inadequately addressed (Nutrition)	would benefit by having a nutritionist plan her meals and have a daily exercise plan.	08/02/2023	Not Started	

Monitoring and Follow-Up Visits/Form Submission

Electronic Visit Verification (EVV) report reflects less hours of services are being delivered according to what is authorized in the Person-Centered Plan

Understand: Was this the participant's choice? Were there any health and safety concerns while services were not provided? When monitoring the service, was there any progress towards their goals?

Action Steps/Remediation: Talk with the person and their team to understand the situation better. Were there any health and safety concerns when services were not being provided? Does an incident report need to be completed, as per the Policy on Reportable Incidents and Investigations (PORII)? Does the Person-Centered Plan need to be revised? **These action steps should be listed in the Recommended Action Section.**

Loop Closure: Were the identified action steps taken?

Policy and Program Updates

Appeals

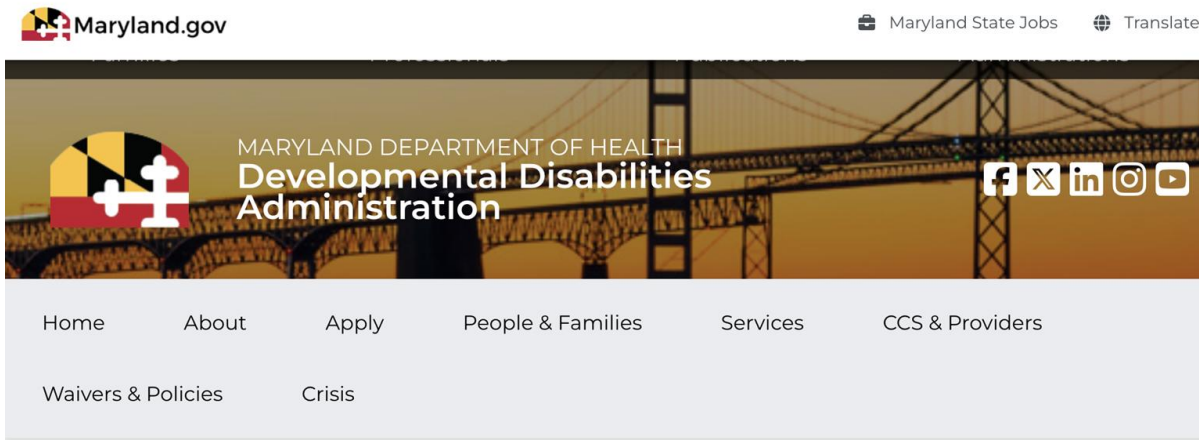

- The Medicaid Fair Hearing is held by the Office of Administrative Hearings (OAH), which is separate from MDH, DDA.
- A fair hearing is also known as an appeal.
- Medicaid released an online appeal form on December 15, 2024. This version provides a confirmation receipt.
 - Full Website access is here: <https://health.maryland.gov/mmcp/Pages/medicaid-appeal.aspx>
 - Mobile access is here: <https://www.cognitofrms.com/MDH3/MedicaidRequestForFairHearing>

Frequently Asked Questions

What should Coordinators of Community Services do if a family member, participant, provider, or any other team member encourages them to reach out to state legislators or officials, including the Secretary of Health, regarding the Eligibility Determination Division (EDD)?

- Coordinators of Community Services are to work with Eligibility Determination Division case workers and their supervisors to address challenges and concerns.
- DDA Regional Office team members are also available.
- Coordinators of Community Services can inform people and their families of their options to express dissatisfaction, but **should not** communicate this for them.
