TO RENEW ON-LINE:

1. Go to the Board’s renewal website at https://maryland.mylicense.com. All licensees are **required to click the register button first in order to renew**. The next screen will then prompt you to provide YOUR license number and social security number. Don’t remember your License Number? Return to the Home Page of our website (www.health.maryland.gov/dental) and click the License Verification tab on the left, enter your first and last name. The next screen will then provide that information to you. You will then return to the renewal site and follow step 1 again. **Please do not** use your old username and password from the previous renewal.
2. **Registration Page:** Enter your license number and your full social security number without any dashes, then click search.
3. The registration page will now display your record information. You can update your record later in the demographics section. Scroll down to the User ID section and create a **User ID** and **password** (password must be six characters or more). **Retype your password again.** The password question and answer are optional. Click Register and if successful, go to login.
4. **Login Page:**
   a. Enter the User ID you created in the username field.
   b. Enter the password you created in the password field. Click Login. (If you forgot your username and password, just click the register button again and follow steps 2 and 3 above).
5. **Licensing Renewal Home Page:** To renew a license, click on **Renew License** on the left-hand side of the page. Then under Renewable License, click on the word **“Continue”**.
6. Remember to go to the bottom of every page and choose the suitable button to move forward. Please make sure that the **Demographics, Questions, CE Credits, and Remarks** tabs are checked; otherwise, you will not be able to renew. **Please remember to print your receipt.**
7. Please do not forget to complete a short survey at the end. Thank you in advance for your feedback.
