IN THE MATTER OF

PAULA R. TYSON, D.R.T.
RESPONDENT

Certificate Number: 15726

BEFORE THE MARYLAND
STATE BOARD OF
DENTAL EXAMINERS

Case Number: 2015-176

CONSENT ORDER

In or around February 2017, the Maryland State Board of Dental Examiners (the “Board”) opened an investigation of Paula R. Tyson, D.R.T. (Dental Radiation Technologist) (the “Respondent”), License Number 15726. Based on its investigation, the Board has grounds to charge the Respondent with violating provisions of her consent order, dated December 4, 2015 (the “2015 Consent Order”, attached hereto as Attachment 1), pursuant to the compliance provision of the 2015 Consent Order, which provides in relevant part the following:

ORDERED that if the Respondent violates any of the terms or conditions of the Consent Order, the Board, in its discretion, after notice and an opportunity for a show cause hearing before the Board, may impose an additional probationary term and conditions of probation, reprimand, suspension, revocation and/or a monetary penalty, said violation of probation being proved by a preponderance of the evidence.

Specifically, the Board has grounds to charge the Respondent with violating the following probationary terms and conditions of the 2015 Consent Order:

i. Within thirty (30) days, the Respondent shall, at her own expense, sign a monitoring contract with and begin counseling, including regular (at least monthly) visits, with an addiction counselor under the auspices of the Dental Well-Being Committee. A violation of the monitoring contract shall constitute a violation of this Consent Order. The Respondent shall continue this counseling regime for a minimum period of three (3) years;
FINDINGS OF FACT

The Board finds the following facts.

Background

1. The Respondent was initially certified by the Board to practice as a dental radiation technologist (DRT) in the State of Maryland on or about September 29, 2009.

2. On or about December 4, 2015, following an investigation and charges against the Respondent,¹ the Maryland State Board of Dental Examiners (the “Board”) and the Respondent agreed to enter into the 2015 Consent Order, which concluded that the Respondent had violated the regulations governing the practice of dental radiation technology adopted by the Board under Md. Code Ann., Health Occ. § 4-405 including the following:

COMAR 10.44.19.11A.

(3) Fraudulently or deceptively obtains or attempts to obtain a certificate for the applicant or for another;

(6) Violates any rule or regulation adopted by the Board;

(7) Is convicted of or pleads guilty or nolo contendere to a felony or a crime involving moral turpitude, whether or not any appeal or other proceeding is pending to have the conviction or plea set aside;

(15) Behaves dishonorably or unprofessionally.

3. Following the execution of the 2015 Consent Order, the Board received regular reports from the Dental Wellbeing Committee about the Respondent’s progress.

¹ See Attachment 1, the 2015 Consent Order, for a description of the Respondent’s conduct that led to the Board’s initiation of charges.
4. The reports documented that between February 2017 and December 2017, the Respondent failed to attend counselling sessions as mandated by her Board Order and her DWB monitoring contract.

5. On or about August 13, 2018, the Board received a letter from the chair of the Dental Wellbeing Committee reporting that the Respondent was not complying with her monitoring contract.

6. The records obtained by the Board indicate that there was a period of several months that the Respondent was not able to attend in-person meetings as recommended by the Dental Wellbeing Committee. The Respondent’s inability to attend the meetings was a result of her severe medical issues that made mobility difficult.

7. On November 27, 2018, the Board received a report from the Well-Being Committee that the Respondent is currently “in compliance with her agreement with the DWB committee.”

8. Following the receipt of these reports, and a review of the records, the Board’s investigator presented the information to a committee of the Board, which voted to offer the Respondent the opportunity to enter into this Pre-Charge Consent Order in lieu of issuing disciplinary charges.

9. Following discussions with the administrative prosecutor, the Respondent agreed to enter into this Pre-Charge Consent Order.

**CONCLUSIONS OF LAW**

monitoring contract with the Dental Wellbeing Committee and related recommendations. constitute violations of the 2015 Consent Order, specifically those provisions cited above.
