The Maryland State Board of Dental Examiners wants to thank you for your time and effort in helping provide quality continuing education programs for our licenses. Continuing education course approval requests are evaluated on an individual basis. The following information is required for the continuing education committee to properly evaluate your program.

1. Title of course
2. Course description
3. Detailed course syllabus
4. Course learning objectives
5. Bio sketch/curriculum vitae of presenter(s)
6. Number of hours requested credit and a breakdown of hour per session
7. Any conflicts of interest/commercial vendors

By providing this information the continuing education committee can evaluate the program you are presenting for approval in an expedient manner. The committee reviews continuing education programs on the first and third Wednesdays of every month.

Thank you for your cooperation and for your interest in providing quality clinically oriented continuing education for the dental health care providers in the State of Maryland.

Sincerely,

Barry L. Cohan, D.D.S.

Chairman

Continuing Education Committee
