# Records Retention and Disposal Schedule

## Department of Health & Mental Hygiene

**Maryland Board of Physicians**

**Supercedes Schedules Nos. 1900, 1437, 645, 645-A-1 AND 674**

Effective October 1, 2003, the Maryland Board of Physicians replaced the Board of Physician Quality Assurance.

### Item 1: Licensure Files

- **Description of Records Series (from Inventory Form):**
  - 1a. Includes applications for licensure, reinstatement, permits, inactive, name changes and exemption or exceptions that may contain correspondence, education history, examinations, transcripts, photos, disciplinary or adverse action forms from national or federal databases, licenses, renewals, primary source verifications, correspondence and other data.
  - 1b. All practitioner delegation agreements, evaluation and treatment protocols, including supporting documentation, correspondence and Board letters.
  - 1c. Replacement license applications and related data, corporate name authorization applications, and applications for registration.

- **Authorized Retention Period & Instructions:**
  - 1a. Scan within 12 months according to State Archives standards and retain electronic files and original for 100 years, then destroy.
  - 1b. Scan within 12 months according to State Archives standards and retain electronic files and original for 100 years, then destroy.
  - 1c. Scan to Maryland State Archives standards, and retain paper originals for three (3) months from date of scan creation, then destroy. Retain scans for five (5) years, then destroy.

### Item 2: Meeting Minutes/Agendas Files

- **Description of Records Series (from Inventory Form):**
  - 2. Files may include Board or committee meeting minutes and agendas which may contain investigative reports, hearings, policies and actions by the Board. Audio recordings retained until minutes or transcripts are completed. Closed minutes are confidential under Health Occupations §14-411.

- **Authorized Retention Period & Instructions:**
  - 2. Retain Permanently. Scan according to State Archives standards and transfer electronic files to State Archives every five (5) years. Destroy originals after scanning.

### Item 3: Communications/Training Files

- **Description of Records Series (from Inventory Form):**
  - 3a. Includes training files and related records of Board members or staff. Controlled and general correspondence from practitioners or outside agencies and institutions including public information act requests. Records and reports pertaining to general business of the Board.
  - 3b. Board’s newsletter

- **Authorized Retention Period & Instructions:**
  - 3a. Retain for 2 years at the Board’s office, then scan to Maryland State Archives standards, and then retain paper originals for three (3) months from date of scan creation, then destroy. Retain scans for four (4) years after paper original creation, then destroy.
  - 3b. Retain Permanently. Scan into pdf version and transfer every 3 years to the State Archives.

### Item 4: IT/Database Records

- **Description of Records Series (from Inventory Form):**
  - 4. Includes Board database backup files, website services and related data and data from online applications. Automated files in the Board database contain information from investigations of practitioners. All stored on server.

- **Authorized Retention Period & Instructions:**
  - 4. Database backup performed nightly. All web services and Board database information are a Continuous Record. Maintain as a perpetual file by updating when amended or revised and destroying obsolete material.

### Item 5: Complaints & Disciplinary Files

- **Description of Records Series (from Inventory Form):**
  - 5a. Including public and nonpublic orders, advisory letters, and sexual misconduct files.
  - 5b. Closed investigative/probation files, confidential and non-confidential agreements, dispositions.

- **Authorized Retention Period & Instructions:**
  - 5a. Scan according to State Archives standards and retain electronic files and original documents for 100 years, then destroy.
  - 5b. Scan to Maryland State Archives standards, and retain paper originals for three (3) months from date of scan creation, then destroy. Retain scans for five (5) years, then destroy.
  - 5c. Retain three (3) months and then destroy.

---
