You may renew online between September 9, 2020 - October 31, 2020. Please note there is no late renewal period.

A new Executive Order issued June 19th applies to the extension of licenses. The expiration date is extended “to the 30th day after the date by which the state of emergency is terminated”. According to the new Executive Order, the state of Emergency is still in effect. The Board has no prediction as to when the state of emergency will be lifted.

The Board encourages you to renew your license by October 31, 2020. However, according to this Order, if you do not renew, you will not be treated as unlicensed or practicing without a license at this time.

INACTIVE STATUS
If you are an active licensee and do not plan on renewing your license and do not plan on practicing in Maryland, you may consider inactive status. The one time fee for inactive status is $75. Inactive status allows an individual, who wishes to practice in Maryland again, to reactivate a license by demonstrating 15 CEU for each year the license has lapsed. The reactivation fee is $150. You may download the inactive status application from the Board’s website at www.health.maryland.gov/dietetic
Reminder: The late fee has been eliminated. Therefore, individuals who do not renew by October 31 must reinstate their licenses and may not practice dietetics in Maryland. The reinstatement fee is $576 this year. You may check the expiration date of your license available via the Board's website at www.health.maryland.gov/dietetic. Click on “Verify a License.”

If you do not plan to renew your license, you may consider placing your license on inactive status for a one-time fee of $75. You may download the Inactive Status Application via the Board's website. Click on "Forms."

Please renew your license on time.

2020 Renewal Fee and Health Care Commission Fee

The 2020 renewal fee is $250. The Health Care Commission fee is $26 for 2020. The Board will again pay for the $26 HCC fee for licensure renewals.
