Conditions of Awards
FISCAL YEAR 2015 HUMAN SERVICES AGREEMENTS

LOCAL HEALTH DEPARTMENT (LHD) CONDITIONS OF AWARD

I. GENERAL CONDITIONS

The Local Health Department understands

A. This award is subject to the requirements and conditions set forth in the Local Health Department Funding System Manual.

B. This award is based on estimated levels of State and/or Federal funds, and should the actual allocations differ from the current estimates, the award may have to be adjusted accordingly.

C. It may elect the Department of Health Mental Hygiene to serve as its disbursing agent for all or a portion of their expenditures; however, the Secretary of Health and Mental Hygiene may charge for the cost of services rendered.

D. The Department of Health and Mental Hygiene assumes no responsibility for paying from its funds an amount greater than the amount appearing on the Unified Funding Document.

E. If they fail to deposit sufficient funds with the Department to satisfy their share of expenditures, the Department may cease to be the disbursing agent until the local health department submits sufficient funds to meet its financial obligations.

F. A DHMH 440 must be submitted for each sub-grantee included in the amount reported for Human Services Contracts (Item 0896) and Special Projects (Item 0899).

The Local Health Department agrees

A. To provide the type of service and to serve the number of clients indicated in their award letter/package or conditions of award.

B. To maintain a system to protect, from inappropriate disclosure, individual patient records and data collection forms maintained in connection with any activity funded under this award. Furthermore, any information concerning a client provided services under this agreement shall not be used or disclosed for any purpose not
LOCAL HEALTH DEPARTMENT (LHD) CONDITIONS OF AWARD
GENERAL CONDITIONS (cont).

directly connected with administration of such services, except upon written consent
of the client or, if a minor, their responsible parent or guardian. The provisions of
Health General Article 20-103 to 20-107 supersede and control, where applicable

C. To maintain separate and distinct accounting records for each award

D. To charge the award for all direct costs which can be specifically identified with a
particular object/item. Furthermore, a written cost allocation policy will be
maintained and made available for review by the DHMH’s Audit Division for costs
which are not readily identifiable as direct costs.

E. To cooperate during periodic site reviews.

F. To attend all meetings as required by the Department of Health and Mental Hygiene.

G. To comply with applicable procurement procedures when subcontracting with
another organization or entity.

H. To abide to DHMH’s Sexual Harassment Policy (DHMH .02.06.02) which applies to
all facilities and programs operated by the DHMH; grant-in-aid programs; and health
services providers/contractors/subcontractors receiving Federal or State funds.
Furthermore, DHMH 02.06.02 will be incorporated by reference in all agreements,
accordingly.

I. To abide to DHMH’s Sexual Harassment Policy (DHMH .02.06.02) which applies to
all facilities and programs operated by the DHMH; grant-in-aid programs; and health
services providers/contractors/subcontractors receiving Federal or State funds.
Furthermore, DHMH 02.06.02 will be incorporated by reference in all agreements,
accordingly.

J. To report, at least quarterly, its non – Core disbursements and revenue to DHMH if
the local health department elects to be the disbursing agent. The report shall be in
the form and under the conditions as the Department may specify, so that these
transactions may be entered in the central accounting records.

K. To deposit revenues in a federally insured interest-bearing account until the funds are
required to meet current expenses.
LOCAL HEALTH DEPARTMENT (LHD) CONDITIONS OF AWARD
GENERAL CONDITIONS (cont).

L. To return funds associated with prior year unliquidated accruals/encumbrances as of January 31st.

- Local Health Departments using the State as their disbursement agent for non-payroll related costs, will have unspent funds returned to the Granting Administrations by Division of Grants & Local Health Accounting. The basis for the returned funds will be the amount reflected in FMIS at January 31st.

- Local Health Departments not using the State as their disbursement agent for non-payroll related cost must submit a check equal to their January 31st unliquidated accrual balance(s) on or before March 1st. The Payment of Unliquidated Accrual Balances form must be used and can be found at www.dhmh.maryland.gov/SitePages/sf_gaact.aspx. A single check can be submitted with an attachment identifying the applicable grant(s) and amount(s).

II. FEDERAL CONDITIONS

A. All sub recipients of federal funds from SAMHSA (Substance Abuse and Mental Health Services Administration) or NIH (National Institute of Health) are prohibited from paying any direct salary at a rate in excess of Level 1 of the [federal] Executive Schedule. (This includes, but is not limited to, sub recipients of the Substance Abuse Prevention and Treatment and the Community Mental Health Block Grants and NIH research grants.)

B. Conditions, requirements, and restrictions which apply to specific sources of federal funding and are not included within this document will be included in your award letter/package or conditions of award documents, if applicable.

C. “When issuing statements, press releases, requests for proposals, bid solicitations, and other documents describing projects or programs funded in whole or in part with federal money”, the Department of Health and Human Services appropriation Act requires all recipients of Federal funds to acknowledge that Federal funding is involved. Such programs are required to “clearly state (1) the percentage of the total cost of the program or project which will be financed with Federal money and (2) the dollar amount of Federal funds for the program or project.” [(It is understood by DHMH that such language may be couched, so as not to mention specific amounts, in situations where such amounts would compromise competitiveness (e.g., for bids).]
D. Title V of the Social Security Act (e.g. Maternal and Child Health Services Block Grant; Emergency Medical Services grants, etc.) Section 504, prohibits payment for any item, or service furnished by or at the medical direction of a provider or practitioner who has been sanctioned under the Medicare and Medicaid Patient and Protection Act of 1987 (P.L. 100-93). Contact Granting Administration to determine if your program falls under Title V.

E. Federal regulations mandate that grant recipient and their sub-recipient adhere to the following OMB Circulars.

States, Local Governments and Indian Tribes follow:

A-87 for cost principles, Relocated to 2 CRF, Part 225
A-102 for administration requirements, and
A-133 for audit requirements

Educational Institutions (even if part of a State or Local Government) follow:
A-21 for cost principles, Relocated to 2 CRF, Part 220
A-110 for administration requirements, Relocated to 2 CFR, Part 215, and
A-133 for audit requirements

Non-Profit Organizations follow:
A-122 for cost principles, Relocated to 2 CRF, Part 230
A-110 for administration requirements, Relocated to 2 CFR, Part 215, and
A-133 for audit requirements

LHD FY 2015 CONDITIONS OF AWARD - CORE PUBLIC HEALTH FUNDING

1. Core Funds allocated to categorical grant funded programs must abide by all Conditions set forth by the individual program units for their categorically funded grants. For instance, if core funds are designated for infectious disease, all conditions related to infectious disease programs are applicable to core funds as they are applicable to categorically funded programs.

2. An agreement form supplied by DHMH must be signed and submitted by the local executive authority before the start of the fiscal year. This agreement will reflect the State match percentage and dollars, the local match percentage and dollars, and 100% local dollars (omatch).

3. Title V-MCH Block Grant federal funds distributed as part of Core Public Health Funding may be expended to improve the health of mothers and children. Services and activities are to be directed to priority areas of need for the State and/or the local jurisdiction. Permitted services and activities include:

   (a) Direct Health Care Services (“gap filling”) -- Examples: prenatal care, family planning, oral health, and services for children with special health care needs;

   (b) Enabling Services – Examples: translation, outreach, respite care, health education, family support services, and case management;

   (c) Population-Based Services: Examples: lead screening, immunizations, oral health, injury prevention, school based vision and hearing screening, school health, adolescent pregnancy prevention, nutrition and outreach/public education; and

   (d) Infrastructure Building Services: Examples: needs assessment, evaluation, and planning.

4. Title V-MCH Block Grant federal funds may not be used for:

   (a) Inpatient services.

   (b) Cash payments to intended recipients of services.
(c) Purchase or improvement of land; the purchase, construction, permanent
improvement of any building or facility (other than minor remodeling), or the
purchase of major medical equipment.

(d) Satisfying any requirement for the expenditure of non-Federal funds as a condition
for the receipt of Federal funds.

(e) Providing funds for research or training conducted by any entity other than a
public or nonprofit private entity.

5. MCH federal funds in Core Public Health Funding must be matched by state general
funds with $3 of non-federal funds for $4 of federal funds.

6. The expenditure of MCH federal funds in Core Public Health Funding and the matching
non-federal funds must be documented in the year-end reconciliation report in one or more
of the following PCAs: F416 (child health), F417 (school health), F418 (maternal
health), F419 (family planning), or F420 (children with special health care needs).

7. Local jurisdictions are to submit a final summary narrative report of program activities
for any funds expended in PCA’s F416 (child health), F417 (school health), F418
(maternal health), F419 (family planning), and F420 (children with special health care
needs) to the Prevention and Health Promotion Administration, Bureau of Maternal and
Child Health by September 1st after the close of the fiscal year.

PREVENTION AND HEALTH PROMOTION ADMINISTRATION (PHPA)

LHD FY 2015 CONDITIONS OF AWARD

GENERAL CONDITIONS/INSTRUCTIONS FOR PHPA

A. The grantee will periodically monitor the program provider (if services subcontracted) to assure that services are being provided to target populations and that funds are being spent for the purpose awarded.

B. Grants funded with federal funds under the Maternal and Child Health Services Block Grant (CFDA 93.994) are expressly prohibited from the use of such funds for the following:

1. Inpatient hospital services other than those provided to children with special health care needs, high risk pregnant women, infants and other such inpatient services as the federal agency approves;

2. Cash payments to intended recipients of health service;

3. Permanent improvement (other than minor remodeling) of any building or other facility; purchase of major medical equipment;

4. Satisfying any requirement for expenditure of non-federal funds as a condition to receive federal funds;

5. Research or training to any entity other than a public non-profit entity; and

6. Payment for any item or service (non-emergency) furnished:

   a. By an individual or entity during which they are excluded under this Title XVIII, XIX or XX, pursuant to section 1128, 1128A, 1156, or 1842(j)(2), or

   b. At the medical direction or on the prescription of a physician during such exclusion and when the person furnishing such item or service had reason to know of the exclusion (i.e., sufficient time).
Prevention and Health Promotion Administration
LHD FY 2015 CONDITIONS OF AWARD
GENERAL CONDITIONS INSTRUCTIONS FOR PHPA

C. Collection of fees in accordance with DHMH Policy 3416 is required for all clinical services that are not on the Department’s Non-Chargeable Services List. Special conditions may apply to Family Planning Services.

D. Grants funded with federal funds under the Public Health and Health Services Block Grant (PHHS) are expressly prohibited from the use of such funds for inpatient hospital services.

E. The grantee must review the budgets of all subproviders receiving funds under cost reimbursement contracts. Review and certification of the review must occur at the beginning of the grant cycle and be complete before any money is awarded to the sub provider. This requirement applies to all current and future subproviders covered under any Unified Grant Award.

1. A subprovider is defined as an organization or individual receiving state or federal funds from a provider of record i.e. the local health department.

2. The Prevention and Health Promotion Administration requires that, at minimum, the subprovider budget review include a line item analysis which accounts for all money distributed to the subprovider and that, based on historical data or recent financial analysis, each line item expense is reasonable.

3. The budget review must be conducted by a person familiar with the grant requirements, preferably the grant monitor, with acknowledgment from the Health Officer or his/her designee.

4. The subprovider budget and all correspondence between the LHD and the subprovider must be kept on record at the LHD and available for audit by the Prevention and Health Promotion Administration or the Department of Health and Mental Hygiene.

5. Documentation of subprovider review must be made on Appendix A and a hard copy returned directly to the funding unit. The attestation must not be returned with the electronic budget package.

6. Subprovider budgets for any amount must be audited if there is any suspicion of fraud or misuse of funds.

7. Acknowledgement of the receipt of the attestation will be returned to the grantee Health Officer/or designee.
F. Allowable indirect costs are limited to a maximum of ten percent (10%) of direct cost. Note: Cigarette Restitution Fund and Breast Cervical Cancer Program indirect costs are capped at seven percent (7%). WIC indirect costs are capped at twenty-five percent (25%) of salary and wages.
MEMORANDUM

Date: [DATE]

To: [NAME OF PROGRAM]
    Prevention and Health Promotion Administration

From: [NAME OF HEALTH OFFICER/DESIGNEE]
    [NAME OF LOCAL HEALTH DEPARTMENT]

Subject: Attestation of Comprehensive Review of Subcontractor Budgets
[PROJECT NAME AND NUMBER]

This memorandum attests to our comprehensive review of all subcontractor budgets that fall under the above referenced grants funded by the Prevention and Health Promotion Administration to us. Our review process provides assurance that (1) subcontractor budgets include the same level of detail as the provider’s budget and (2) the steps performed in our comprehensive review of subcontractor budgets include:

- Documentation of the **deliverables** expected from the subcontractor
- Documentation of the **resources** needed by the subcontractor to provide the deliverables
- Determination of the **reasonableness** of the subcontractor’s budgeted resources for providing the expected deliverables
- **Approval of line item expenses** in the subcontractor’s budget based on historical data or recent financial analysis.

This Attestation of Comprehensive Review of Subcontractor Budgets for the Cigarette Restitution Fund Program, Cancers Prevention, Education, Screening and Treatment Program includes the following subcontractors:
[**List the name(s) of subcontractors and award period**]
GENERAL CONDITIONS OF AWARD FOR ALL LHD CRF PROGRAMS

A. The Local Health Department shall collect and submit data on the services provided under this grant in the format and intervals specified by the program.

B. The Local Health Department shall maintain accounting of line item expenditures by PCA code (e.g. FT--- or FC---).

C. Administrative expenses for the Cigarette Restitution Fund Programs are limited to seven percent (7%) of the total program budget for the fiscal year in accordance with Health General Articles § 13.1014 and § 13.1119.

E. In accordance with Health General Article § 13.1008 (C)(6) and § 13.1109 (D)(7) the Local Health Department shall provide a report at the end of each fiscal year identifying all persons who received money under this grant and the amount of money that was received by each person in the prior fiscal year.

F. This grant shall not be used to supplant a county/city’s base year funding. Base year funding is defined as the amount of county/city funds that were being spent on all of the local programs identified in the inventory of existing, publicly funded programs related to the grant in the county/city in Fiscal Year 2000.

G. The Local Health Department shall provide a copy of their DHMH Form 440 – Annual Report along with a DHMH Form 440 - Annual Report for each sub-provider having a cost reimbursement contract (Purchase of Service Agreement) under this grant to the Division of General Accounting’s Grants Section not later than 60 days after the close of the fiscal year.

H. The Local Health Department shall make staff available for training sessions as scheduled by the program.
Cigarette Restitution Fund – Tobacco Use Prevention and Cessation Program (Continued)

1. Budget modifications can only be made within FT codes.

2. Each element of the Local Public Health Component is a separate project (PCA) and must be budgeted, tracked and reconciled separately.

3. Each LHD must submit semi-annual reports that include the progress toward the achievement of program objectives and action plans. The report should include a summary of accomplishments in each element (community, cessation, enforcement, and school based) of the local public health comprehensive tobacco prevention plan, a summary of outreach efforts to targeted minorities, summary of any grant agreements and quantified performance measures. These reports are due to the Center for Tobacco Prevention and Control on the following dates
   b. July 31, 2015

4. All direct services and interventions (smoking cessation, counseling, education sessions, and outreach) in the cessation and community elements must be tracked by the following population characteristics: Caucasians, Women, Medically Underserved, African Americans, Asian American, Hispanic/Latinos, and Native Americans

5. For all sub vendors/subcontractors, the local health department shall provide the following to the Center for Tobacco Prevention and Control within 60 days of executing an agreement.
   a. A copy of the Request for Proposals.
   b. A copy of the signed agreement that includes a line item budget and expected performance measures.
   c. A summary document that describes the grant review process and a rationale for award(s) to chosen vendor(s).

6. Local health departments shall make tobacco treatment products available free of charge to an applicant participating in the Cigarette Restitution Fund Program regardless of race, religion, ethnic group, age, gender, sexual preference or insurance status.
Cigarette Restitution Fund – Tobacco Use Prevention and Cessation Program (Continued)

7. A local health department may establish written requirements for eligibility for tobacco treatment products in accordance with conditions above. Those written requirements must be submitted to the Department when the requirements are initiated and when any changes are made.

8. All local health department sub vendors/grantees receiving over $100,000 are subject to site visits by DHMH program staff as part of the health department’s CRFP Tobacco Program site visit.

9. All local health departments must track smoking cessation quit rates on all participants in local smoking cessation programs.

10. All promotional and marketing materials must give credit to the Maryland Cigarette Restitution Fund Program.

Cigarette Restitution Fund Program - Cancer Prevention, Education, Screening, and Treatment Program

11. The Local Health Departments must return unliquidated encumbrances included in Treatment Plan one year after the grant award period. Unspent funds are to be returned to the Cigarette Restitution Fund Program.

12. For each sub-provider cost reimbursement contract (sub-vendor Human Service Agreement), the Local Health Department shall provide the following information within 30 days of execution of the agreement:

- a copy of the signed agreement,
- a copy of the detailed line item budget,
- a copy of the performance measures, e.g. number of individuals to receive public education, number of providers educated, number of persons to be screened, or other specific measures of services to be provided, and
PREVENTION AND HEALTH PROMOTION ADMINISTRATION

CIGARETTE RESTITUTION FUND PROGRAM

Cigarette Restitution Fund Program - Cancer Prevention, Education, Screening, and Treatment Program (Continued)

- a summary documentation of the grantee review process, e.g. notes from internal review group, meetings with potential sub-provider, budget review notes and rationale for award to the chosen vendor.

- See General Condition Instructions for FHA – Section E

13. The Local Health Department shall submit periodic progress reports in the format and intervals specified by the program.

14. In accordance with the Budget Reconciliation and Financing Act of 2004 and in accordance with Maryland Health General Section 13-1104, the Local Health Department shall spend at least 60% of the funds under this grant on screening, diagnosis and treatment cost as specified by program.

Based on this requirement, no more than 40% of the program’s expenditures can be spent on non-clinical and administrative expenses. Any non-clinical and administrative expenditure that exceeds the ceiling amount is considered a disallowed expenditure and the grantee will be required to remit this amount to DHMH.

15. In accordance with COMAR 10.14.06.01-07, the Local Health Department that receives CRFP funds and that sets aside a portion of their grant award to pay cancer treatment services for eligible clients shall:

a. Develop written financial eligibility criteria for uninsured and underinsured individuals to receive treatment services funded by the CRFP program.

b. Submit the written financial eligibility criteria for cancer treatment services to the Department of Health and Mental Hygiene (DHMH) when the criteria is initially developed and when any changes in the financial eligibility criteria are made.

16. All promotional and marketing materials should give credit to the Maryland Cigarette Restitution Fund Program.

17. The Local Health Department shall submit copies of its signed contracts with HSCRC regulated facilities within 30 days of execution of an agreement.
18. The Minimal Elements for Education, Screening, Diagnosis, and Treatment developed by the Medical Advisory Committees established the Center for Cancer Prevention and Control shall serve as the standards for education, screening, diagnosis, and treatment of target cancers.

19. A medical record shall be maintained for each participant who receives screening services through the Cancer Prevention, Education, Screening, and Treatment Program.

20. The Local Health Department shall assure that individuals with positive screening diagnostic tests are aggressively case managed in order to provide these individuals with needed diagnostic and/or treatment services.

21. The Cancer Prevention, Education, Screening, and Treatment Program is the payer of last resort. Before medical services are rendered, Local Health Departments must verify client’s insurance status, and before Local Health Departments pay for a medical service, an explanation of benefits from a third party payer must be received if the client has any type of insurance coverage.

22. The Local Health Department shall either provide treatment or linkages to treatment for uninsured individuals who are diagnosed with a targeted or no targeted cancer as a result of being screened under this grant.

23. Screening services shall be reimbursed at a rate no higher than the federal Medicare rate. Diagnostic and treatment services, if covered, shall be reimbursed at the State Medical Assistance rate. Where diagnostic and treatment services are not available at the Medicaid rate, the grantee shall document non-availability and follow the guideline in the CCSC Health Officer Memo 1-35, dated July 26, 2001 for procuring diagnostic and treatment services at non-Medicaid rates. HSCRC regulated facilities and services shall be reimbursed at HSCRC rates or HSCRC-approved rates.

24. The Local Health Department may encumber funds at the end of the fiscal year for patient services following the guidelines of the memo to “Recipients of CRFP Funds” dated May 9, 2001. Encumbrances shall include a Treatment plan as outlined in CCSC Health Officer Memo 05-29, dated July 14, 2005.

85. All jurisdictions are required to submit a final report for each grant that includes: (1) performance and outcome measures and (2) budgetary expenditures within 45 days following the end of the fiscal year.

86. Budget modifications, supplements, and reductions are due by April 15, 2015. An official electronic budget modification must be submitted for any line item change of $5,000 or more with the appropriate justification explaining the changes. For any budget changes that do not require an official budget submission, i.e. less than $5,000 in any given line item, prior approval must be requested via email from the Office of Surveillance and Quality Initiatives.

87. Jurisdictions must make programmatic staff available for appropriate training/conference opportunities upon request from the Office of Surveillance and Quality Initiatives.

88. This award may be adjusted based on the availability of funds.

89. Jurisdictions must designate a Health Department staff person (full or part-time) as a Fetal and Infant Mortality Review (FIMR) Coordinator and a staff person (full or part-time) as a Child Fatality Review (CFR) Coordinator. These may or may not be the same person and can be in-kind.
90. Surveillance & Quality Initiatives funds must be used to develop an infrastructure that supports epidemiological surveillance systems and community action response. This must include both FIMR and CFR activities.

91. The majority of the both FIMR and CFR efforts should be expended in the development of recommendations and implementation of community and systems improvements.

92. CFR activities must include review of all Office of Chief Medical Examiner (OCME) referred child deaths and entry of all CFR case reviews into the Maryland CFR database.

93. With approval of the OSQI program staff, a jurisdiction with no fetal or infant deaths must select another adverse perinatal outcome for review. Similarly, a jurisdiction with no child deaths must select another pediatric outcome for review.

Office of the Maryland WIC Program

94. Local WIC Programs must be allowed to expend WIC or Breastfeeding Peer Counselor funds for any item that meets the following conditions

   a. The item is an allowable cost under federal WIC regulations
   b. Sufficient funding is available in the budget that has been approved by the State WIC Office.

For items that are not included in the local agency’s current approved budget, approval may be requested from the State WIC Office at any time for any item that is allowable under federal regulations. All items for which approval has been granted by the State WIC Office must be included in the April budget modification.

95. Budgets for state fiscal year 2015 must be submitted electronically in accordance with the WIC Program Budget Instructions no later than May 31, 2014.

96. The local agency must serve at least 97% of their assigned caseload. Local agencies that fail to maintain a participation level of 97% of the caseload assignment by October 31, 2014 may have their caseload assignment reduced effective January 1, 2015. The SFY 2015 award will also be reduced in accordance with the reduced caseload assignment.
Office of the Maryland WIC Program (Continued)

97. Expenses for travel, lodging, meals, conference fees, etc. for any staff that work for both WIC and another program must be approved in advance by the State WIC Director. This condition does not apply to the local agency WIC Coordinator.

98. Nutrition education expenditures must be at least twenty percent (20%) of the grantee’s total expenditures. In addition, expenditures for breastfeeding promotion and support must be at least five percent (5%) of the grantee’s total expenditures.

99. An estimate of the amount of unspent funds for the current budget period may be requested by the Maryland WIC Program at any time.

100. Time studies are to be performed during the months of July, October, January and April of each year in accordance with WIC Policy and Procedure 6.01.

101. Quarterly expenditure reports must be submitted electronically within 30 days after the end of the quarter being reported as specified in the WIC Program Budget Instructions.

102. The grantee must maintain compliance with all provisions of the current WIC Program regulations, WIC bulletins, and any supplemental policies and procedures established by the WIC Program.

103. The local agency Coordinator or their representative must attend the monthly local agency Coordinators’ meeting, the quarterly Nutritionists’ meeting and the quarterly Breastfeeding Coordinators’ meeting. The local agency Coordinator and WIC staff must attend all State Agency sponsored trainings and conferences as requested.

104. The WIC program limits budget modifications to one per year which is due with the third quarter expenditure report on April 30th of each year. Pre-approval via e-mail from the State WIC Office is still required for the purchase of unbudgeted equipment and for any other significant deviation from the approved budget.

105. The State WIC Director or a State WIC Office designee must be consulted in the search for and selection of space for a new or relocated WIC clinic which will be paid for with WIC funds.
Office of the Maryland WIC Program (Continued)

106. Written approval from the State WIC Director must be obtained before a lease is signed to lease space for a new or relocated WIC clinic which will be paid for with WIC funds.

Office for Genetics & People with Special Health Care Needs

5. Please indicate the number and nature of any new partnerships/collaborations made or fostered with other providers/agencies, such as primary care providers, related services providers and schools, as well as, other stakeholders including family members and self-advocates. Describe efforts to strengthen existing partnerships.

Please submit your interim and final reports, as well as communication regarding your grant to the attention of Grants Administrator, at the following mailbox: dhmh.ugagenetics@maryland.gov
110. Matching funds reports shall be submitted on a quarterly basis in conjunction with financial expenditure reports. These reports shall conform to the guidelines specified by the Center for Cancer Prevention and Control.

111. A minimum of 75% of all program-eligible mammograms funded through CDC funds must be provided for Medicare Part B ineligible women aged 50-64 years.

112. An estimate of the amount of any funds which will be unexpended by the end of the funding period must be submitted in writing to the Center for Cancer Prevention and Control no later than ninety days prior to the end of the current State Fiscal year (March 31, 2015).

113. At least 80% of this award’s expenditures must be spent on screening and follow-up activities in order to meet the “National Breast and Cervical Cancer Early Detection Program Administrative Requirements and Guidelines” dated April 1, 1994.

114. 20% or less of the total award’s expenditures may be spent for administrative and clerical activities, non patient transportation, surveillance, public education activities including printing and advertising, utilities, rental or indirect cost.

115. The funds awarded under this grant shall be used to support staff to carry out responsibilities in accordance with COMAR 10.14.02, “Reimbursement for Breast and Cervical Cancer Diagnosis and Treatment.”

116. Funds from this grant are to be used to hire women who are from the community where the target population resides and should be like the target population in income and education levels.

117. The outreach workers and BCCP Coordinators employed through this grant must attend all meetings as required by the Department of Health and Mental Hygiene.

118. The BCCP coordinator must meet at least bi-weekly with the outreach worker(s).
119. The grantee shall submit written semi-annual reports that should include an evaluation of progress towards objectives, discussion of the problems, and proposed corrective action. These reports are due at the Department of Health and Mental Hygiene, Center for Cancer Prevention and Control by the time specified in the grant award letter.

121. No funds from this grant may be used to purchase breast self-examination (BSE) materials without prior written approval from the DHMH patient/public education and outreach coordinator.

122. Outreach and educational activities shall be targeted to women 40-64 years of age who are uninsured or underinsured and who have incomes at or below 250% of the federal poverty level.

123. All materials and educational supplies purchased under this grant must be requested in writing and approved by the patient/public education and outreach coordinator prior to purchase.

124. Women screened must meet financial and insurance eligibility requirements as outlined in the Policy and Procedure Manual of the program.

125. This award may be adjusted quarterly based on actual participation as compared to projected participation level.

126. Financial expenditure reports shall be submitted quarterly. These reports will include expenditures for all line items as well as a narrative explanation for any budget variance of 5% or greater. If requested, local health departments must submit journal entry detail for all line items. If requested, local health departments must submit these reports on a monthly basis.

127. The reimbursement rate paid for each of the screening and follow-up services funded by grant numbers F676N and F714N may not exceed the Medicare rates and must be consistent with the Maryland Medicare Waiver approved by the Center for Medicare and Medicaid Services.
128. The reimbursement rate paid for each diagnostic service funded by grant number F667N may not exceed the medical assistance rates and must be consistent with the Maryland Medicare Waiver approved by the Center for Medicare and Medicaid Services. For each diagnostic service funded by grant number F667N at a Maryland Health Service Cost Review Commission (MHSCRC) regulated facility, the reimbursement rate paid will be the MHSCRC rate.

129. Radiology providers under contract to provide screening services for women in the program must be accredited by the American College of Radiology, and be fully certified by the U.S. Food and Drug Administration to provide screening mammography in accordance with the Mammography Quality Standards Act (MQSA). They will report the results of mammography to both the program coordinator and the referring clinician using coding consistent with the lexicon recommended by the American College of Radiology.

130. Laboratories under contract to provide cytopathology and pathology services to women in the program must be in compliance with the Clinical Laboratories Improvement Act, and have passed the Cytology Proficiency Testing Program of the State of Maryland. Out-of-state laboratories must provide annual proof of passing either the ASCP or the CAP proficiency test. All laboratories will report the results to both the program coordinator and the referring clinician using the Bethesda System terminology and indicating the presence or absence of endocervical cells.

131. All contracts and agreements entered into between the local health department and providers of radiology, laboratory cytology, and medical clinical services shall be made using the “boiler plate” contracts developed by the Center for Cancer Prevention and Control.

132. The Minimal Clinical Elements developed by the Maryland Breast & Cervical Cancer Program Medical Advisory Committee serves as the standard for breast and cervical cancer screening and diagnosis.

133. All budget modifications, supplements, and reductions are due March 15 of the current State Fiscal Year.
134. The Minimal Standards for Recall and Follow-up developed by consensus of the BCCP coordinators shall serve as the minimum standard for recall and follow-up procedures for the Breast and Cervical Cancer Program.

135. A chart will be maintained for each woman who receives screening services through this program.

136. For those local health departments (LHDs) on the State FMIS system, financial data must be updated at least on a quarterly basis, with the preference being submission on a monthly basis. For those LHDs not on the FMIS system, financial data must be submitted to the Center for Cancer Prevention and Control.

137. As stipulated in the “National Breast and Cervical Cancer Early Detection Program Administrative Requirements and Guidelines”, April 1, 1994, and Public Law 101-354, this program is the payer of last resort. Before medical services are rendered, LHD must verify clients’ insurance status; and before LHD pay for a medical service, an explanation of benefits (EOB) from a third party payer must be received if a client has any type of insurance coverage.

138. Women enrolled in Medicare Part B are not eligible for services through the CDC-funded Breast and Cervical Cancer Program (BCCP).

139. The Breast and Cervical Cancer Program will not allow encumbrances or accruals. If a program has had a significant back-billing problem with a major provider of screening services and it is anticipated that the program must accrue funds for this type of problem, you must submit a written request to accrue funds to the BCCP program for approval no later than 30 days prior to the end of the fiscal year.

140. All local health departments are required to use the cancer screening software designated by DHMH to collect screening and follow-up data. These data are to be sent to the Department via electronic means as specified by the Center for Cancer Prevention and Control. A data collection form must be used for all screening cycles.

141. Staff hired through this program shall assist eligible women with renewal applications for the Women’s Breast and Cervical Cancer Health Program.

 Center for Chronic Disease Prevention and Control (Continued)  

163. This award may be adjusted based on the availability of funds.  

164. Budget modifications, supplements, and reductions are due no later than April 15th of the current State Fiscal Year.
LEAD CASE MANAGEMENT

165. Lead case management funds will be available for a limited number of LHDs in SFY 15. LHDs will be informed by the Environmental Health Bureau as to the availability of funding and may apply by submission of a plan that addresses the following issues:

1. How the LHD intends to respond to questions regarding blood leads of 5 – 9 mg/dL;
2. How the LHD intends to case manage blood leads of 10 mg/dL and above;
3. How the LHD intends to respond to the revised Strategic Targeting Plan, which will be available in draft form for review, specifically with respect to the goal of improving rates of testing for children within the LHD’s jurisdiction; and
4. How the LHD intends to bill for case management/environmental investigation services provided for cases of blood leads of 5 – 9 or ≥10 mg/dL.

The plan and the budget should be submitted electronically to the Director of the Environmental Health Bureau (cliff.mitchell@maryland.gov). Progress reports will be submitted on a quarterly basis, documenting activity in the above three areas. THE DUE DATE FOR SUBMISSION OF THE NARRATIVE AND BUDGET IS JUNE 10, 2014.

Performance measures:

1. Number of children under case management with blood lead levels of 10 mg/dL and above; and
2. Case management/environmental investigations performed; and
3. Outreach activities to increase lead testing rates.

CLIMATE CHANGE

Purpose: To enable public health professionals in local health departments (LHDs) to utilize climate forecast projections that will be available through the Maryland Public Health Strategy for Climate Change (MPHSCC). These capacity building activities will: (1) help LHDs and the MPHSCC to implement climate mitigation and/or adaptation strategies necessary to protect public health; (2) evaluate the mitigation and/or adaptation strategy used to determine the quality of improvement and to incorporate refined inputs.

Awards: Four $15,000/year grants will be made available on a non-competitive basis to local health departments. The awards will be available for 2 years.
