If scanning, scan to Maryland State Archives standards and destroy originals. Scanned images must be kept in accordance with the same retention periods assigned to the paper version of the record. A certificate of records disposal request must be submitted to the MDH Records Management Office for review and approval prior to the disposal of any record materials identified in this records schedule. This includes paper records that are scanned immediately upon receipt, paper records that have reached maturity and electronic records that have reached maturity. After disposal, a disposal certificate will be filed with the Maryland State Archives by the MDH Records Office.

This schedule supersedes the following schedules that are now obsolete: 1302, 1425, 1438 and 1650.		
<u>Section I- Director's Office</u>		
1	GENERAL SUBJECT FILES Arranged alphabetically by subject, these files consist of a collection of subject folders on topics of concern or interest to the Director and staff. May include mail received by this office, reference materials, e-mails and printed web site information, professional association materials such as engineering or architectural society newsletters, CEU courses, materials handling, communications, and others, located throughout the Administration offices.	1. Screen periodically, removing obsolete materials and replacing updated items. Large volume files may be divided into annual folders. Retain in office until no longer needed, then destroy.
2	PROGRAM MANAGEMENT RECORD SERIES Copies of weekly, monthly, quarterly and annual reports, status reports on ongoing projects, copies of reports prepared for executive management, or to comply with requirements of regulations, policies or other guidelines, and other management documents.	2. Maintain an annual folder for each type of document. Retain current year and four previous years folders, then destroy. May be moved to inactive storage or the Records Center when no longer needed in office.
3	PROGRAM DEVELOPMENT & HISTORY FILE Consists of information screened from other files which illustrate the development of DHMH or the Administration, including one copy of all of the Administration's publications, brochures, news articles, awards, photos, developments-including renovations and new building openings, etc.	3. Retain permanently. Periodically transfer to State Archives.
<u>Section II-Division of Engineering & Maintenance</u>		
4.	PLANS REVIEW - DRAWINGS AND SPECS Consists of plans of nursing homes and medical care facilities, both public and private, which are submitted for review and approval by architects, engineers, fire marshals, etc.	4. Retain mark-up drawings and specifications in office until updated or no longer needed, then destroy. Retain as-built drawings and specs until superseded or until the project is no longer under DHMH review authority, then dispose of accordingly (e.g., transfer to new owner, destroy).
