## 2018 Chlamydia/GC NAAT Statewide Sticker Allocation System

# Ordering Policy

### THE ONLY CHANGE FROM 2017 IS THE COLOR OF THE STICKERS AND THE VALID DATES

For 2018, the **blue** Chlamydia/GC NAAT allocation stickers are pre-printed with a test request for Chlamydia trachomatis/GC NAAT.

SAMPLE:

**SPEC. SOURCE:** \_\_\_\_\_  
(must be completed)  
Test Request: Chlamydia trachomatis/GC NAAT  
18CT00001 Valid 1-1-2018 to 12-31-2018

BE AWARE:

1. You must provide the specimen source (using the specimen codes on the lab slip) by writing it in the space provided **ON THE STICKER ITSELF**.
2. **BY PLACING THE STICKER** on a MD DHMH Laboratory “Infectious Agents: Culture/Detection” form (DHMH 4676), you **ARE ORDERING** the Chlamydia trachomatis/GC NAAT. There is **NO NEED** to then repeat that order by marking the box on the lower half of the form.

AS ALWAYS, THE FORM MUST BE **COMPLETE** WITH:

- Submitter name, address, contact name, name of person authorized to order tests (TRAB), phone and fax #'s and your lab client ID #.
- Patient name, case # (if you use one), address, gender, ethnicity, race
- Collection date/time
