

## What is my 2018 Renewal License/Registration Status?

All Licensees and Registrants who have completed the 2018 Online Renewal Application for licensure commencing on August 20, 2018 through October 31, 2018 have been updated in the licensing system, printed and mailed in the order to which they were received for processing. All submission of completed applications have been mailed Friday and Monday, November 5, 2018.

**Please Note: The Board office and/or staff cannot give estimates of USPS delivery.**

**All individuals that completed through payment on or before 10/31/2018 can:**

- Access the Board's official "[Verify a License](#)" link on the website to see if you have an expiration date of 2020 for the license/registration.
- Print out the official verification showing the expiration date of 2020 for employers and yourself until you receive the Board issued official license/registration document mailed to the address you provided on the online renewal application.

### **Special Notifications:**

- If you renewed your license/registration on and after November 1 - November 30, 2018; you may not practice massage therapy until you have received your license / registration as your prior status is expired.
- Late renewal applications are updated in the licensing system, printed and mailed daily in the order to which they were received for processing.

- **2018 Biennial Renewal Portal for renewal applications will closed Dec. 1, 2018.**
