Date(s) of Previous Examination(s): _____

An applicant failing the examination a third time may retest only after waiting at least thirty (30) days from the date of the third failure, meeting with the Board at its request, and recommended approval of the Board. Final approval regarding retesting availability will be made by the Board upon written request of the applicant.

An applicant's **file shall be closed/terminated one (1) year from the original application date** regardless of the status of the applicant in the examination process. At such an occurrence, the applicant may reapply for qualification and submit all required fees, documentation, and an application form as a new applicant. Any/all previous failures will be applied to the new application. For example, an applicant failing the exam three (3) times under the first application and then reapplying after a lapse of one year, will still have three (3) failures credited to the application and will require approval of the Board to retest. **Retake examination fees are non-refundable.**
