Testing Availability Plan

Test Observer Hiring Efforts

We are currently focusing on recruitment on hiring RN Test Observers in The Eastern Shore and Eastern part of the state due to a significant need for testing in that area.

Our efforts have been successful as we continue to hire more observers in these areas.

While the areas above continue to be the area of focus we are continuing to hire in all other parts of the state as well and will continue to accept applications in other areas.

Testing Locations

We currently have regional testing sites available in Hunt Valley, Cumberland, Riverdale Park, and Laurel.

We also have several closed test sites throughout the state. These locations are reserved exclusively for candidates who completed their training at those specific programs.

*If you are interested in working with us as a testing site, we are always looking for more. Please apply at md.tmutest.com/apply/9 or contact us if you have any questions. We look forward to hearing from you!

Cancellations

There are no canceled exams as of 6/5/26
