**ORDER OF DENIAL OF REINSTATEMENT OF
MEDICATION TECHNICIAN CERTIFICATE**

I. PROCEDURAL BACKGROUND

On September 12, 2019, the Maryland Board of Nursing (the “Board”) issued a “Final Decision and Order of Revocation of Medication Technician Certificate” (the “Revocation Order”), which revoked the certificate of **Kristen Moore** (the “Respondent”) to practice as a medication technician (“MT”) in the State of Maryland (certificate number MT0014153) for a minimum of two (2) years. The Revocation Order was based on the Respondent’s administration of medication to assisted living facility residents while her MT certificate was expired.

II. CONSIDERATION OF REINSTATEMENT REQUEST

On or about November 16, 2021, the Respondent submitted a written request to the Board seeking reinstatement of her certificate to practice as an MT in the State of Maryland. In support of her reinstatement request, the Respondent provided a letter requesting reinstatement, professional letters of reference, and evidence of medication technician course completion.

The Board has reviewed and considered the documentation that the Respondent submitted in support of her application for reinstatement of her MT certificate, as well as all additional information in the Respondent’s file. Upon consideration of the Respondent’s complete file, the Board finds that the Respondent has not met her burden of showing that she is a suitable candidate for reinstatement of her MT certificate at this time. Accordingly, the Board denies the Respondent’s reinstatement request.
