How to Run Reports

- Click on “Reports” Tab on the left-hand side navigation
 - Select a report tile or use the search box at the top of the screen.
-
- Review the left-hand side to access different global filters.
-
- Review the report & graphs freely
 - Feel free to download the report to your machine separately as an excel if ever needed.

Training Program Report

Your Training Program Report provides you with valuable insight into the effectiveness of your training program and how your students perform during the exam.

Now this information is broken down for you even further to show the specific skill step performance for more targeted analysis.
