

Maryland Consortium on Coordinated Community Supports

The Honorable David D. Rudolph, Chair
Mark Luckner, CHRC Executive Director

August 17, 2022

Potential Consortium Subcommittees

Framework, Design, & RFP

- Develops statewide framework to establish community support partnerships
- Issues recommendations that will inform future Call for Proposals issued by the Community Health Resources Commission.

Data Collection/Analysis & Program Evaluation

- Evaluate current available data to establish baseline for impact of Consortium and community support partnerships.

Outreach and Community Engagement

- Engage stakeholders to make them aware of funding opportunity.

Multi-Tiered Systems of Support Best Practices

- Offer recommendations and best practices for community partnerships to provide behavioral health and wraparound services.

Potential Consortium Subcommittees (cont.)

- RFP Framework and Data Subcommittees will begin to meet in the second half of September.
- Weekly subcommittee meetings through October are anticipated. Subcommittee meetings may be virtual.
- Subcommittee activities and recommendations will be submitted to full Consortium in mid-November.
- Consortium first legislative report is due on December 1, 2022.
- Please contact Mark Luckner with your Subcommittee interest. Consortium members are encouraged to serve on at least one Subcommittee.

Timeline & Next Steps

- **September 22:** Second Consortium meeting (in-person)
- **Late September-October:** Framework and Data Subcommittees meet.
- **October 17-21:** Third meeting of Consortium
- **October/November:** Outreach Subcommittee meets.
- **Mid-November:** Fourth Meeting of Consortium.
- **December 1:** Consortium submits its first legislative report.
