Framework Subcommittee: Hub and Spoke model

At full implementation, Hub and Spoke:

- Collective Impact model.
- Hub is the Community Supports Partnership/lead grantee; “backbone” of Collective Impact model. New or existing organization.
- Spokes are the service providers/sub-grantees; “partners” of Collective Impact model.
- Hubs coordinate the activities of spokes, manage financial and data responsibilities.
- Close coordination and MOU with the schools.
- Can be at jurisdiction-level, sub-jurisdiction or multi-jurisdiction.

Framework Subcommittee: First RFP

The first RFP will support BOTH capacity building/planning AND service delivery/expansion/enhancement.

Year 1 applicants/grantees should include both:

- A. Organizations that could become Partnerships (hubs/backbones) – grant dollars support planning grants and technical assistance
- B. Service providers (spokes) – grant dollars support access to services

Some “spokes” might become future “hubs” with some technical assistance, even as they deliver services.
