

# Care Transitions Steering Committee

September 17, 2014

# REGIONAL FORUMS

- **Convene four regional forums across the state and invite stakeholders around changing health system environment, i.e., Medicare All-Payor Waiver, State Innovation Model/Community Integrated Medical Home framework, SHIP, and other population health initiatives**
- **Highlight current hospital-community partnerships**
- **Demonstrate promising cross-setting collaboration among health care providers and community-based organizations**

# REGIONAL FORUMS

- **Share best practices, lessons learned, and common implementation challenges from these partnerships.**
- **Report on the effectiveness and outcomes of these partnerships and identify opportunities to replicate, expand, and sustain best practices.**
- **Regional forums will inform “white paper” that will be delivered to CHRC later this calendar year.**
- **White paper will include recommendations for how these types of programs could be supported and sustained and will guide future Calls for Proposals issued by CHRC.**
