Agenda

1. Welcome and Review of Agenda
2. Review and Approval of January 22, 2019 Executive Committee Meeting Minutes
3. Discussion of Priority Concepts for the Rural Health Model:
 - A. Establish community hubs (one point of entry for individuals) for coordination of clinical and social services to improve outcomes (decrease cost, prevent complications, and reduce hospital admissions)
 - B. Establish partnerships with EMS to help residents find appropriate clinical and social services for high users of 911 for non-emergencies
 - C. Coordinate clinical services and/or with social services for patients being discharged from an inpatient setting
 - D. Coordinate all clinical and social services at the medical home – includes behavioral health and dental health
 - E. Establish fixed bus routes to health and social services hubs (e.g., County Ride)
 - F. Work with third-party payers (e.g., Aetna) to provide and/or subsidize transportation
4. Discussion of What's Needed in Each County for the Rural Health Model to be Successful
5. Wrap-Up and Next Steps
