Additional Information

New event formats and associated descriptions are below.

WORKSHOP

A workshop is a place for discussion and problem-solving.

Our Focused Regional Care Workshops will be hands-on, game-based events led by practice coaches (each region will be led by the respective practice coach).

ROUNDTABLE

A roundtable is an organized conversation focused on the exploration of one specific topic. Usually, at a roundtable, participants are placed on equal footing in their contribution to the conversation.

A roundtable has an informal moderator who "chair" the event.

PANEL DISCUSSION

A panel discussion is centered around a specific topic featuring a selected group of experts who share their experiences and perspectives.

Typically facilitated by a moderator who guides the panel and audience through the event for an engaging discussion.
