

MDPCP Practice Acceptance List (2019)

Listing of your practice application ID below confirms acceptance of your individual practice site for participation in the Maryland Primary Care Program (MDPCP), beginning January 1, 2019.¹ Accepted practices should have already received a series of emails from CMS regarding next steps and onboarding materials.

If you do not see your practice ID listed, you should assume your practice site's application has been deferred for 2019 program participation. Deferred practices will receive a letter from CMS in mid-December confirming their deferral status and a brief acknowledgment of where their application did not meet requirements. In 2019, the State will reach out and engage with deferred practices regarding how to prepare to re-apply for upcoming Performance Years. For further questions about your application, please reach out to CMS at marylandmodel@cms.hhs.gov.
