

# Getting Ready for the Maryland Primary Care Program: Beneficiary and Caregiver Experience

Program Update

Program Management Office

Executive Director

Howard Haft, MD, MMM, CPE, FACPE

MARYLAND  
Department of Health

*Beneficiary & Caregiver Experience*

# Requirements: Primary Care Functions

---

Five advanced primary care functions:

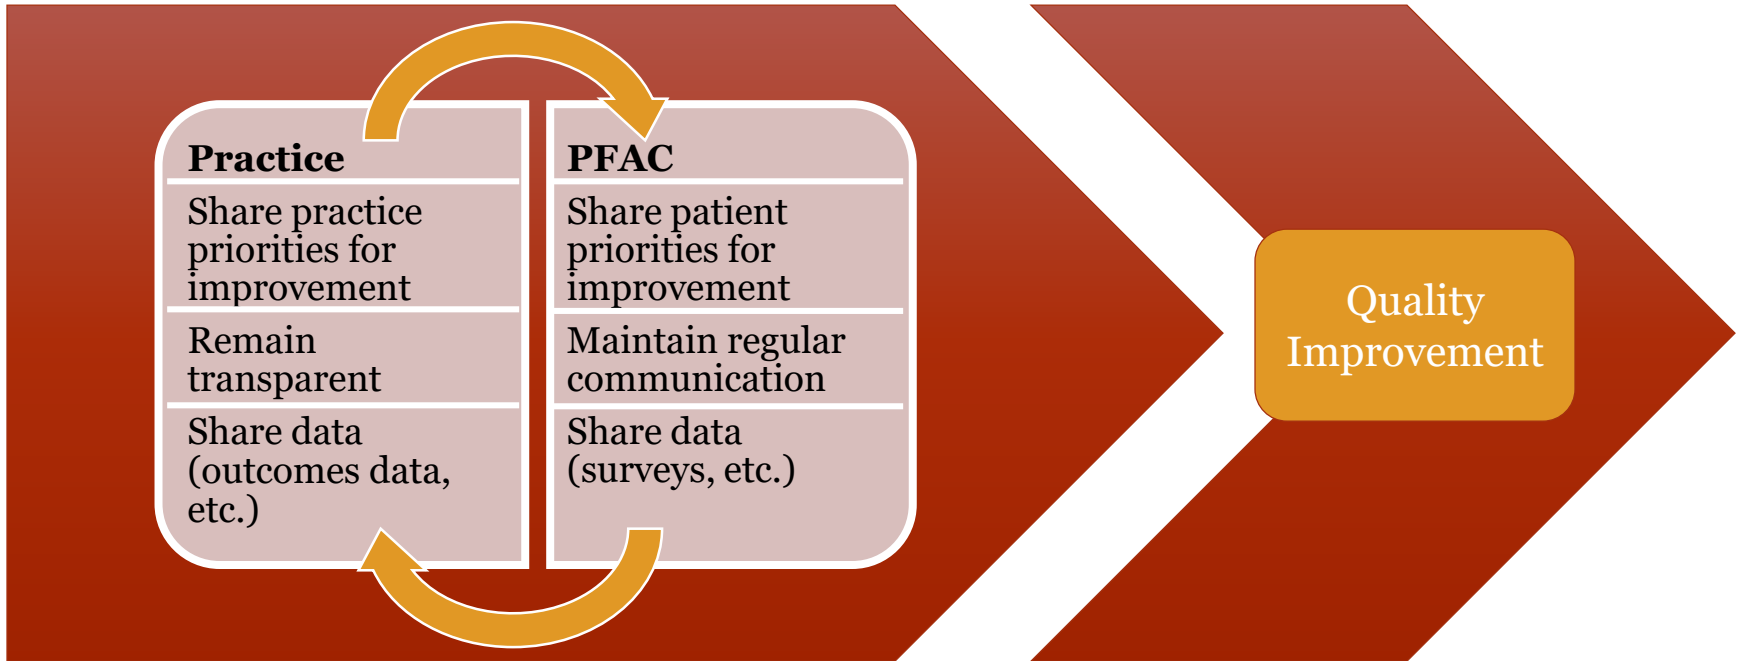

# Patient Family Advisory Council (PFAC)

---

# PFAC and Practice Quality Improvement

# Advance Care Planning

---

Important Components Include:

MOLST

Advance  
Directives-  
written/digital

Proxy

★ Should be implemented for all patients

# Integrate Self Management

---

Self-management should be used for:

High risk  
conditions

High frequency  
conditions

Examples: diabetes, asthma, COPD

# Shared Decision Making

---

Share decision making should be used  
in the following scenarios:

Serious  
conditions

Conditions with  
controversy

Request from  
patient

# Remember the “Why”

---

- Strengthen Primary Care in Maryland
- **Provide the best quality health for all Marylanders**
- **Shift from an ever increasing volume demand to rewards for value based care**
- **Avoid unnecessary emergency department and hospital visits**
- Show the nation that Maryland can be the leader in healthcare

“We choose to go to the moon in this decade and do the other things, not because they are easy, but because they are hard, because that goal will serve to organize and measure the best of our energies and skills, because that challenge is one that we are willing to accept, one we are unwilling to postpone, and one which we intend to win.”

- JFK Rice Univ. 1962

# Payment Incentives

## Care Management Fee (PBPM)

- Use \$\$ to meet Care Trans Reqs
  - Hire care management personnel
  - Hire staff to provide alternative visits
  - Perform screening in the office or in the community
  - Implement a Patient-Family Advisory Council (PFAC)
  - Analyze data & workflows
- Timing: Paid prospectively on a quarterly basis, not subject to repayment

## Performance-Based Incentive Payment (PBPM)

- Implement quality improvement processes
- Track performance including patient satisfaction
- Timing: Paid prospectively on an annual basis, subject to repayment

## Comprehensive Primary Care Payment (CPCP)

- CPCP - Partial pre-payment of historical E&M volume
- Deliver alternative visits & other innovative strategies to manage beneficiaries' health
- Timing: CPCP paid prospectively on a quarterly basis, Medicare FFS claim submitted normally but paid at reduced rate

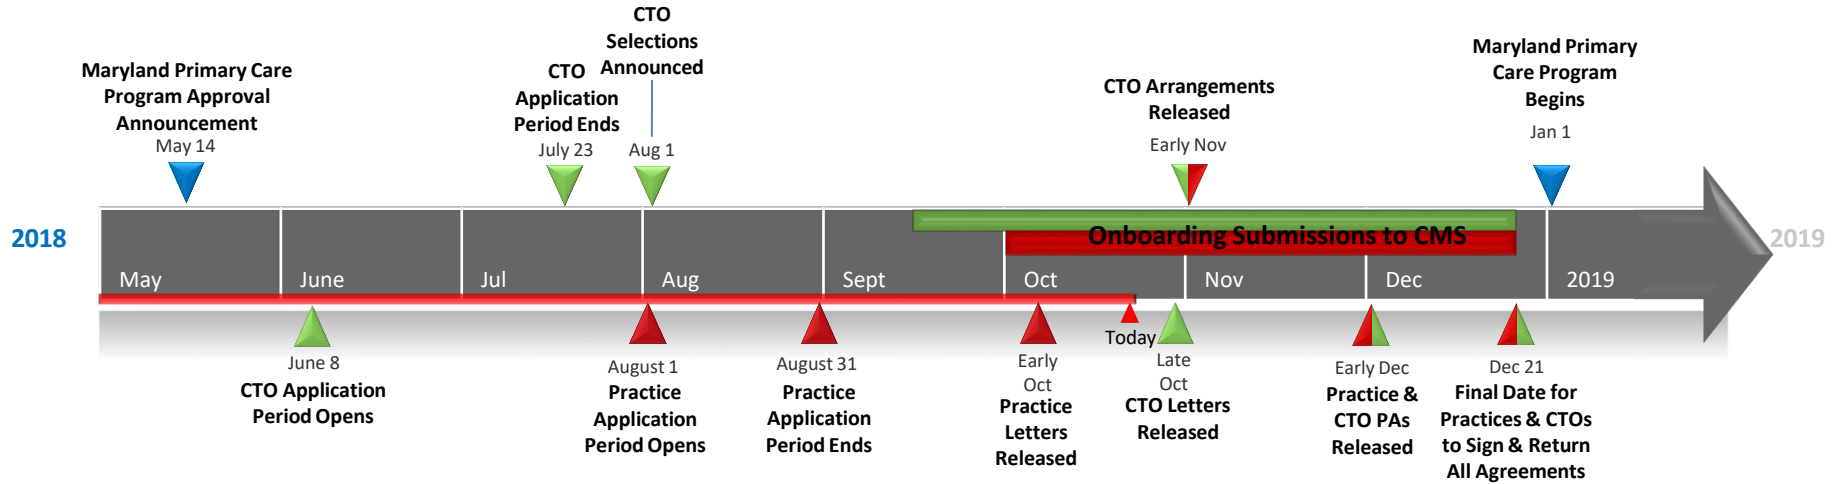

# Care Transformation Organization (CTO)

On request – assisting the practice in meeting care transformation requirements

# Timeline

# Timeline

*Disclaimer: Guidance document only. Not endorsed by CMS. Timeline and exact dates subject to change.*

# Practice Documents & Participation
