

Exporting Data on Unvaccinated Patients from the CRISP Vaccine Tracker

Accessing the Vaccine Tracker

- 1) Go to the CRISP Vaccine Tracker at <https://vacctrac.crisphealth.org/>
- 2) Log into your CRISP Reporting Services account using your CRS username and password

- 3) Click on "Patient Navigator" on the left hand side navigation bar

Filtering the Report to Show Only Relevant Unvaccinated Patients

4) Filter to only show unvaccinated patients by clicking the dropdown arrow next to the Vaccine Status column, hovering over "Filters" and clicking "Not Vaccinated"

| Vaccine Status | Outreach Status | Notes |
|----------------|---|--|
| Not Vaccinated | ↑ _A _Z Sort Ascending | |
| Not Vaccinated | ↓ _A _Z Sort Descending | |
| Not Vaccinated | <input checked="" type="checkbox"/> Filters ► | <input checked="" type="checkbox"/> Not Vaccinated |
| Not Vaccinated | | <input type="checkbox"/> Vaccinated |
| Not Vaccinated | | <input type="checkbox"/> 1 Dose Received |

5) Filter to exclude patients who are deceased by: scrolling to the right to find the "Expired?" column, clicking the dropdown arrow, hovering over "Filters", and clicking "No"

| Expired | Race | Patient County |
|---------|---|--|
| No | ↑ _A _Z Sort Ascending | MONTGOMERY |
| No | ↓ _A _Z Sort Descending | |
| No | Columns ► | |
| No | <input checked="" type="checkbox"/> Filters ► | Yes |
| No | | <input checked="" type="checkbox"/> No |

Exporting to Excel

6) Click "Excel Export" at the top of the report
