

## APPENDIX P – LICENSE VERIFICATION CONFIGURATIONS TABLE

Automatic license verification is built into the Maryland Responds Volunteer Registry System for some State licensing boards and their respective occupations. All other health care license verifications are conducted manually by MDRMRC State Administrators when issuing ID badges. Below is a listing of Maryland State Licensing Boards and the method used for verifying licensure with each.

State Licensing Board	Verification Method
Acupuncturist	Manual Verification: <a href="https://mdbnc.health.maryland.gov/ACUPTVerification/default.aspx">https://mdbnc.health.maryland.gov/ACUPTVerification/default.aspx</a>
