

Maryland Responds is excited to announce that we are partnering with the Maryland Department of Agriculture's - Animal Health program to form the Maryland Animal Response Team (MAR Team).

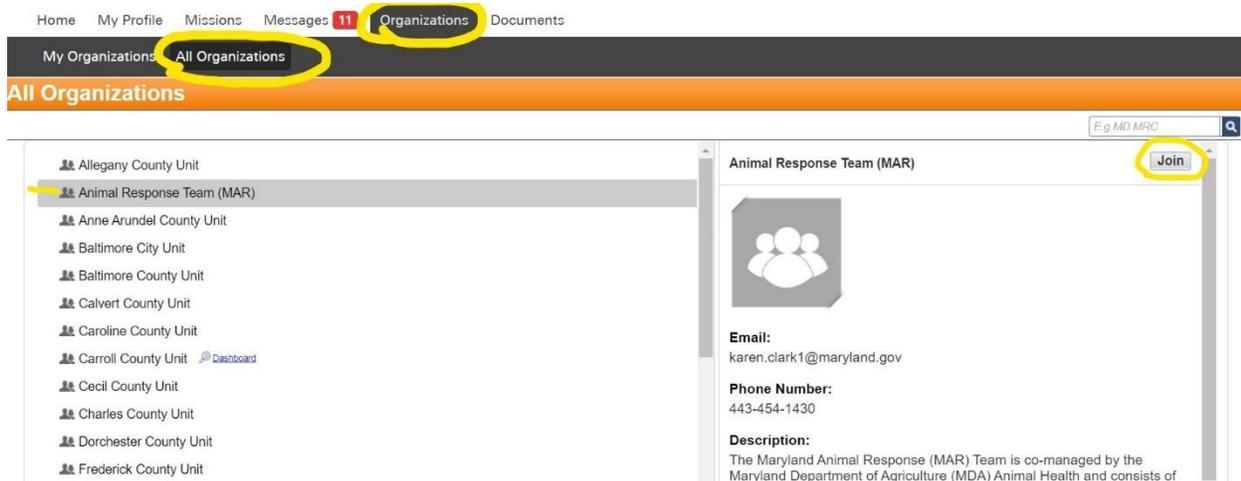

This unit will consist of Veterinarians, Veterinary Assistants, Pet Professionals and everyday pet lovers as they work together to assist and provide care for both large and small animals during disasters and emergencies.

Volunteers in this unit will also gain access to specialized animal response training and exercise opportunities!

To join this team, while logged into your account follow the steps below:

- **Select "Organizations"**
- **Select "All Organizations"**
- **Navigate to and select "Maryland Animal Response Team (MAR)"**
- **Navigate to the right side of the screen and select "Join"**
